Westlake 'Overpass' Special Meet Ends On Harmonious Note

Talks considering the Fernando Rivera School overpass on Lake Merced boulevard were started following the world's heavyweight championship fight last Monday night but results ended as a meeting of church elders would — a bit of disagreement, but harmony in basic principle.

Approximately 75 persons were in attendance at the Jefferson Elementary School District trustees meeting at Olympia School, 200 Northgate court, and only 14 microphoned their views.

At first, Northgate court home owners spoke vociferously against the overpass, stating they were against it, but as the meeting developed it turned out they were not against the overpass itself but rather finding a more suitable location than "directly on a level with our backyards."

Irving Blackfield, 367 Glenwood avenue, was the first speaker. He said he had an additional 173 names to add to the 300 previous signed petitioners in favor of the overpass. He stated that the majority was for an overpass and the board should take this into consideration as "the majority rules in a democracy." He added that the amount of money to build it was incidental if saving a life of a child were involved. Another point he brought up was that if a policeman or guard were placed to usher children rather than the overpass, some children might stay to play in the schoolyard and try to cross after the guard went off duty.

Attorney John Schaeffer, 752 North Mayfair avenue, speaking on behalf of Northgate court home owners, declared, "Our primary concern is also with the safety of children but many other busier intersections do not have overpasses.

Jack and Alice Walsh, 50 Northgate court, were two property owners who claimed residents were unfavorably being termed "black sheep" in the dispute. Jack said, "We are not against impairing the safety of a child. Safety is utmost; my job includes insuring the safety of people. There have been three proposals submitted and our main interest is not having the overpass by our houses. In all fairness, persons in favor of the overpass would not want it near their houses either. Devaluation could be as much as $8000 and we are sure that those who are for the overpass do not desire to harm property of their neighbors. Therefore, we ask that a more suitable location be found."

Alice Walsh added that there is unimproved land further away, at Glenwood drive, that could be used for the overpass.

A GLIMPSE of the FUTURE. Pictured above is the architect's drawing of the proposed 150 million dollar Callan Park which will be one of the nation's outstanding home and shopping center developments. Upon completion Callan Park will be larger than both Stonestown and Hillsdale combined and will return to the citizens of Daly City an estimated $410,000 in additional tax revenues. Construction of the dramatic development which will provide thousands of new jobs has been held up temporarily pending a favorable vote of the electorate on August 16.

DECISION ON DC FREEWAY IN 90 DAYS?

State Highway Commissioners conducted the third and perhaps final public hearing on the Junipero Serra freeway routing Wednesday morning last week in South San Francisco.

Mayor Andrew Rocca reemphasized his city's plea for routing the freeway away from the Winston Manor subdivisions towards Skyline boulevard. But Daly City and San Bruno officials reiterated their position for the north-south Junipero Serra route which would go through South San Francisco and front on additional lands sought by that city.

Mayor Frank Pacelli introduced City Attorney Paul Hupf who briefly summarized Daly City's position favoring the north-south routing and argument against a freeway that would cut through the Callan Park development and connect with the oft-times foggy and hazordous Skyline in the Sharp Park road area.

A few South San Francisco residents attended the sparsely attended meeting and supported Mayor Rocca's statements with short speeches urging the commission to consider the Skyline routing.

City Manager John Keefe of San Bruno supplemented Hupf's presentation by urging the state board to adopt the north-south Serra plan.

The commission said it would announce its final decision within the next 90 days. Meanwhile, all interested residents have until the second week of July to present further arguments in writing to the Division of Highways.

COUNCIL STARTS BUDGET SESSIONS

Daly City councilmen begin their new fiscal budget study sessions this Thursday evening at 7:30 during their regularly scheduled study session.

City Manager Edward Frank said today he has completed his study of departmental requests and has prepared his draft of the proposed budget for each councilman.

Next week's schedule for the council includes their regular public meeting at 8 p.m., followed by a budget study session, then additional budget sessions on Tuesday and Thursday evenings. Frank said he hopes to "wrap up" preliminary budget talks with the council by the end of next week.

Wednesday evening next week, the council has invited builders Chris and George McKeon to a special 8 p.m. meeting at City Hall in an attempt to reach a settlement on the St. Francis Heights annexation agreement with the council.

Miss Bonnie Jensen Of Westmoor Named City's Beauty Queen

A blue-eyed blonde Bonnie—last name Jensen—is the new "Miss Daly City."

The judges gave the closest of nods Thursday night last week at the Steak Pit to the 17-year-old, 5-7½ and 135-pound dimpled darling, whose parents are Mr. and Mrs. Edward Robin, 280 Westbrook avenue in Westlake.

Bonnie, recipient of a huge gold-plated trophy and numerous merchandise orders, will compete for Daly City in the San Mateo County Fair "Dream Girl" contest. A win there on July 21 will send her to the California State Fair beauty competition. And from there, if she's lucky, who knows?

Bonnie's dad works as a pari-mutuel racing clerk. He didn't say what the odds on her victory were Thursday night.

Miss Jensen and her very close friend, contest runnerup Lana Green, a lovely 17-year-old who also is entering her senior year at Westmoor like Bonnie, "took off together for a few days," Mrs. Robin said Monday. Lana is the daughter of barber Jack and Mrs. Green of 1009 South Mayfair avenue.

Bonnie plans to become a commercial artist. She hopes to enroll at the California College of Fine Arts in Oakland next year after graduation from Westmoor.

Miss Jensen and Miss Green embraced tearfully when master of ceremonies Fred Martin of the Chamber voiced the final verdict.

Also receiving heavy applause were finalists Sonja Petrovffsky, Diane Smyser and Judy Soto.

Miss Smyser had the most unique role of all. She had to forego her graduation ceremony that evening at Jefferson High in order to compete in the finals.

Miss Petrovffsky, 16, was the youngest of the five finalists. Miss Soto, 19, was the

AUGUST 16 ELECTION

Callan Park Would Bring In Additional Revenue To Daly City

(Editor's Note—The following article is a press release submitted by the Callan Development Company.)

In mid-August Daly City residents will decide whether they will take into their community 16,000 new citizens or whether they will reject them.

The decision is a momentous one for the community and each voter should clearly understand the issues involved.

There has been much argument raised by certain elements against the annexation of the acreage owned by the Callan Development Company, the developers who wish to join the city.

Opponents have made serious claims that annexation would touch the purse of the Daly City taxpayer.

An independent research company, Griffenhagen - Kroeger, has made a statistical study which states that the ultimate benefit to Daly City would be about $400,000 a year in increased tax revenue. This firm was employed in the formation of the towns of Fremont and Pacifica and is well known for its expert knowledge in the field of community taxation and local administration.

Since the end of World War II the city has accepted more than a dozen annexations in the confident knowledge that Daly City was to become a prominent name in Northern California.

At this moment some persons wish to stop this progress.

Trustees Approve Final Plans For Two Elementaries

Jefferson Elementary District trustees Monday night approved final plans for the Christopher Columbus School, St. Francis boulevard near Higate drive, and the revised final plans for the M. Pauline Brown School, Eastmoor avenue and Santa Paula drive.

Christopher Columbus School is an $830,998 project and is designed by Architect Mario Ciampi. Building cost is estimated at $739,978. It is an 18 classroom school including 2 kindergartens, a remedial, blind, multi-use room and administrative unit.

The board Monday also approved authorization of $2366.45 for checking fees. Superintendent Richard Foster said the district is "pushing the project" in order to open doors in September of 1961.

M. Pauline Brown School was brought before the board for the second time as the lowest bidder was $60,000 above the state allowable maximum after inital bids were submitted. The estimated cost is $366,800. The library and additions were deleted from the plans and will

School Trustees Ask $370,000 For Additions

Jefferson Elementary District trustees Monday night approved filing a resolution with the state allocations board asking for $370,000 to cover the cost of six classrooms and two locker facilities, one each for boys and girls, at Benjamin Franklin school.

The resolution passage followed approval of preliminary plans for the classrooms and lockers.

Board members also purchased a 2000 foot strip of land at the South extremity of the East playfield for $500 from the owner, George Shinazy. The only stipulation was that the district build a 6 foot fence at this area. Superintendent Richard Foster said the district had intended to build the 6 foot fence at this section and recommended approval.

In other action concerning Ben Franklin, board members approved purchase of materials to make available a wood shop at the school. It will be the first elementary in the district to have an "elective" course in wood shop.

Purchased were: a surface planer, $1850; jointer, $495; woodworking bench, $1340; wood lathe, $1140; disk and belt sander, $239.62; band saw, $725; variable speed drill, $200.81; mortiser, $650; scroll saw, $104.80; and more than $100 worth of accessories.

Three other items, a table saw, dust collector and tool grinder will also be purchased from the two company's which submitted bids, Haven and A. L. Young.

Mayor To Kick-Off 2nd Annual 'PAL' Bowling Tournament

Daly City civic leaders will turn out en masse this Sunday (June 26) to open the second annual Police Athletic League Bowling Tournament at Westlake Bowl. Mayor Frank Pacelli and Police Chief Roland Petrocchi will roll the first balls at noon.

The tourney will run through August 7 and all entrants will be contributing at least $1 to the PAL fund for Daly City boys.

In addition to the regular contestants, Westlake league bowlers may enter this year by contributing $1 extra, and vieing for prizes while bowling for their own league. More money is expected to be raised through a "3, 6, 9" contest for a dollar for three games. This means any bowler who rolls strikes on the third, sixth and ninth frame in any one game wins a prize.

John and Jane Doelger, co-chairmen of the tourney, report the prize list is already over 150 items, "all valuable," and that Daly City merchants were 100% behind the tournament.

In a meeting last Thursday night, the committee decided to accomodate the tyro kegler without an average by setting up a plan where the novice can bowl for the charity and stand a chance to win a special prize.

The tournament costs $2.75 for each series of three games. Bowlers may enter as many times as they want but can win only one prize. Special prizes for high series of six and 12 series will provide an incentive to enter more than once.

MAYOR Frank Pacelli presents "Miss Daly City of 1960" trophy to blonde, blue-eyed Bonnie Jensen, 17-year-old Westmoor High junior, to climax the big moment last Thursday night in the fifth annual Chamber of Commerce event. The judges, faced with the best field of competitors in local history, accorded the runnerup spot to lovely Lana Green (far left), also 17 and a classmate of Bonnie's at Westmoor. Miss Jensen will compete for the "Fiesta Dream Girl" title at the San Mateo County Fair on July 21 at the Fairgrounds. If she's successful down south, she advances to the California State Fair "Maid of Cotton" contest in Sacramento this August.

Daly City Earns Pedestrian Safety Award For 1959

Daly City has received an "Excellence of Pedestrian Protection" award from the American Automobile Association for its achievement of no pedestrian deaths in 1959.

The city was one of 1738 which competed in the annual nationwide Pedestrian Program Appraisal sponsored in northern and central California by the California State Automobile Association.

Pedestrian fatalities dropped to an all-time low last year, reports the CSAA. When the AAA Pedestrian Program was launched in 1937, a total of 15,500 pedestrians were killed in traffic accidents, as contrasted with only 7750 in 1959.

Gas Pedal Jams; Three Injured, Five Cars Struck

Three persons were injured and five cars damaged at Joe's of Westlake restaurant parking lot last Wednesday, at 5:40 p.m. as a result of Benjamin Kaplan's automobile gas pedal getting stuck.

Kaplan, 71, 152 Glenwood avenue, said he started to back the car out of its parking place when his gas pedal jammed. At the time, Arthur J. Burns, 54, Redwood City; William Patrick Batchelder, 33, Redwood City; Russell E. Channing, 65, Los Altos; and Leonard J. Kruevel, 33, 9 Crestline drive, Daly City, were all walking behind his car.

Kruevel leaped away just in time but Channing was injured and Burns and Batchelder were knocked down by the backing car. Officer Jim Sunderland said he made Burns and Batchelder, still lying on the ground when he arrived, comfortable and called the Silva Ambulance. The three out of town men were all released from Junipero Serra Hospital later that night.

Kaplan's car had shot backward, striking the men, and continuing to do major damage to two parked autos and minor damage to two others. His auto was slightly damaged.

Major damage was done to the autos of Frank Petra Perry, 48, 25 Liebig street, San Francisco, and Dorothea P. Forcode, 50, 2120 Larkin street, San Francisco. Minor damage was done to the cars belonging to Gerald Shaia, 462 Westmoor avenue, and Peter Gray, 2051 17th avenue, San Francisco.

Sunderland said no citation was given to Kaplan as the accident occurred on private property.

BUDGET FOR JESD EXPECTED TO BE $440,000 MORE

Jefferson Elementary District trustees will hold a preliminary meeting on their budget at the 8 p.m. June 30 meeting at 48 Park Plaza drive.

The board will stay after the meeting until 12:01 a.m. as election of officers of the board must be held on July 1.

Expected budget for this year is some $440,000 more than that of last year. Total expenditures last year were $3,038,427 with expected expenditures this year of $3,471,611. Assistant Superintendent Dr. David Shapiro said the hearing and final adoption of the budget will be held during the first week of August.

PLANNING COMMISSION 'DISPUTE' ENDS AT POLICE HEADQUARTERS

The relative serenity at Daly City Planning Commission meetings was reversed last week when John L. Dziacko, property owner at 71 Vendome avenue, exchanged verbal blasts with chairman Richard Dwyer, city building inspector George Hopman, and the rest of the board.

Dziacko reportedly was protesting the development of two adjoining lots on Vendome. He allegedly declared that the planning commission wasn't interested in the "little folks" and stated that city officials, including Hopman, gave more attention to the builders and bigger developers, according to Dwyer's account of the uproar.

Dwyer said he informed Dziacko and the latter's neighbors, also in the audience, that the matter Dziacko brought up had nothing to do with the planning commission and that the inquiry or "any questions you have should be taken up with the city building department."

Dwyer charged that Dziacko's language became "so loud and profane that I left the council chamber and listed the incident with police, asking them to draw up a complaint charging Dziacko for disturbing the peace."

The commission chairman explained that Dziacko allegedly abused the city council and planning commission with "profanities, and I asked him to apologize."

Police Sgt. David Hansen, on the desk at the time, took down statements from Dwyer about the incident and also talked to friends of Dziacko, who along with him denied that "profanity" was used.

Dwyer later said he thought "nothing would come of the incident, but I still feel the gentleman's conduct and manner were improper and inconsiderate."

The commission, before the incident was concluded, advised Dziacko to consult the building department "as the matter had nothing to do with the planning commission," Dwyer emphasized.

In agenda items, the commission continued public hearing on the city's new zoning ordinance until Monday evening this week. A letter was received from Hahn, Wise and Barber consultants, requesting an agreement with the city for payments for their future appearances here in meetings regarding the Master Plan survey.

In regular action, the commission (commissioner John Schaeffer was absent):

1. Set an August 9 public hearing date at City Hall, 8 p.m., on R-3 zoning request of Glen D. Nolan, 280 88th street, Colma, on property recently annexed to Daly City, located on both sides of Edgeworth avenue between 89th and 88th streets.

2. Approved issuance of use permits to — Hope Lutheran Church, 55 San Fernando way, for erection of one double-face directional sign on southwest corner of San Fernando way and Junipero Serra boulevard; John S. Klinger, 700 Niantic avenue, for a detached garage, 20' x 24', at rear of lot, same address; Caesar-Callan Homes Inc., for six directional signs, each 40' x 70', to direct the public to Callan Park development (three signs to be located on the east side of the Skyline freeway and three more on the west side of Junipero Serra boulevard, all within the Callan annexation); Robert H. Saxe, 237 B Los Olivos avenue, for garage and workshop, respectively 12' x 20' and 12' x 18' at 237 Los Olivos avenue; Primo Corral, 1872 Alemany boulevard, for used car lot at 6660 Mission street, on two lots.

The commission approved and closed public hearing on requested R-1 to R-3 (apartments) zoning change on lots at 156 and 168 Westlake avenue.

Held over was request for permit for illuminated poster panel at northeast corner of Junipero Serra and 88th street, filed by West Coast Advertising Agency, 871 Beach street, San Francisco.

The commission filed a report from Jefferson High School District on "School Site Needs" prepared by Stanford University.

A tentative map on the resubdivision of two lots near the corner of Hanover and Oliver streets, submitted by Ervin E. Shelmadine, was held over for more study.

CALLAN PARK

(Continued from Page 1)

They say, in effect, that change, growth, expanding population and increasing responsibility can be avoided.

The accompanying photograph shows graphically what Daly City will accept or reject.

It illustrates the development of a 60-acre shopping center that will have a valuation of $32,000,000. The center will be larger than Stonestown and Hillsdale combined. Surrounding this center will be a 50-acre high-rise apartment house development similar to that planned for the Golden Gateway project.

The upper portion of the photograph shows two neighborhood shopping centers with apartments similar to those built in Westlake. The residential section will result in a property valuation of $56,000,000 and will include about 2800 homes.

In accord with standard practice, the developers have agreed to pay for installation of all streets, sidewalks, storm drains, sewers and water mains subject to the city's specifications.

The city council has voted 4 to 1 for annexation of this land. They agreed to present their decision to the approval of the Daly City citizens when objections were raised.

The election will be held August 16 and the choice is up to every voter in Daly City.

President George Washington never lived in the White House.

OVERPASS

(Continued from Page 1)

R. A. Llop, 10 Northgate court, said he would be against the proposed overpass until such time as the freeway was developed. He stated, "At that time, Lake Merced boulevard will become a ghost street." He noted that he believed Pacifica residents used this road most and the overpass would be eliminated with a freeway carrying the load.

Mrs. Lorrie Saltzman, 636 North Mayfair avenue, volunteered, "I worked as a recreation leader at Westlake Park in 1958 and the facilities were a complete waste evcept for organized recreation." (Westlake Park is adjacent to Fernando Rivera).

Morris Liston, 12 Elmwood drive, stated, "Our schools throughout the country are working for segregation but as far as traffic is concerned, traffic must be segregated." Liston offered, "I would gladly exchange my Elmwood drive house for any on Northgate court right now and then you could start the overpass right from my garage door if you so desired."

L. W. Schmitt, 30 Northgate court, said many children would use the overpass to 'dive bomb' cars with rocks and marbles and could cause serious accidents. He also answered the query of an earlier orator by stating that it was safer to walk by the firehouse than "your own house." He added that there has been only one child injury in five years with a guard at a school crossing in Daly City.

John DeBella, 19 Garden Grove drive, seemed to sum up the entire dispute. DeBella stated, "I don't see any disagreement here as to the safety of children. Am I right in assuming that the board will take the (overpass) path that will least harm any property valuation?"

After trustee chairman Joe Lewkowitz answered "Yes," De Bella commented, "Then all parties here seem to be in accord."

Other speakers were Helen Morton, 322 Elmwood drive, Mr. and Mrs. H. H. Barr, 63 Garden Grove drive, Walter and Betty Schuback, 67 Garden Grove drive and Patricia Rogers, 31 Oaklawn drive.

Superintendent Richard Foster said the administration would continue to work with home owners in the area to discuss a suitable location for the overpass.

Foster said, "The board is all ready committed to place an overpass somewhere near the school through board action taken in 1958. The main question now is where to place it."

Assistant Superintendent Dr. David Shapiro said Tuesday, "The only delay now is in location and getting a permanent easement from the city of San Francisco. The water and public works department of that city are in favor of the overpass but we must wait until the project goes before the board of supervisors. That is sometimes quite a wait."

A meeting was scheduled with property owners for this Monday at 6:30 p.m. at the Central Fire Station with Foster and Dr. Shapiro representing the district.

$100 In Damage At Reservoir

Gus Ford, Superintendent of the Daly City Water Department, reported $100 damage to Reservoir No. 2, located in the Crocker Hills, Friday at 2:30 p.m.

Ford related to Officer Les Bastedo that juveniles had apparently broken the gate leading to the reservoir. They smashed air vents on the roof of the reservoir by throwing rocks at them.

Woman Has Attack

Rosie Cuevas, 38, 1131 Brunswick street, was transported to Junipero Serra Hospital by Silva Ambulance and treated for a heart attack Sunday at 12:27 a.m.

Officer Al Nicolini responded to the call from her son-in-law Eddy Trujillo, 26, a resident of Redwood City.

Sewage Board Weighs Budget, Second Plant

Directors of the North County Sanitation District will get down to business on their next fiscal budget at a special meeting Monday morning in Westlake.

Chairman Bob St. Clair said the district must set the timetable for an expected bond issue to finance a $2,000,000 second sewage plant near Mussel Rock. Also to be discussed is the expenditure of an estimated $200,000 to replace the time-worn and inadequate outfall line from the Westlake plant to the ocean.

St. Clair explained that the present plant "is at capacity now—serving 50,000 residents—and we soon must have a new digester and water tanks to accomodate the existing volume of sewage."

He pointed out that 10 years from now, the single plant in Westlake will have to serve about 65,000 residents in Daly City alone, while acquisition of Callan Park and the adjacent Christen lands west of Junipero Serra would run the total to 100,000 needing district service.

The sanitation district's engineer has completed an overall survey of district needs, and in particular recommends a second sewage plant at Mussel Rock to serve Westlake Unit 11, Callan Park and the Christen developments when all three areas are saturated with homes.

St. Clair stated that a bond issue for the Mussel Rock plant was "inevitable . . . if the district is to keep pace with this area's anticipated growth."

Henry Doelger paid for and installed two sewage pumps in Westlake Unit 11 in an agreement with the district. The latter received a two-year maintenance and replacement-of-defective-parts guarantee from Doelger, and the district also will keep the pumps once the proposed Mussel Rock plant is a reality and the sewage flow from Unit 11, Callan Park and the Christen developments is routed through the Mussel Rock facility.

St. Clair emphasized that the sanitation board has set up a special sewage district for Callan Park. He pointed out that other district residents would not be paying this higher tax rate.

oldest and was competing the third consecutive year.

Attendance at the finals was light. One Chamber spokesman said he felt the graduation exercises at Westmoor and Jefferson that evening perhaps held down the contest turnout.

Three former Miss Daly City winners were introduced during the finals—Janet Watson, Phyllis Adams and Patricia Strasser.

be placed in later plans, Foster said.

Foster said the plans will be in the state allocations department for approximately eight weeks and asked that the board give permission to the administration to go to bid when it comes out. The board assented.

$150 Damage Done

Juveniles are believed to have caused $150 damage to the front lawn at the War Memorial Building Community Center last Wednesday.

Superintendent of Parks August Conci said the culprits dug out large clumps of lawn. Officer David Johnstone noted that a number of juveniles were seen near the Mission street side where the act occurred.

GOOD OLD DAYS WERE ROUGH OLD DAYS

The good old days in motoring were apt to be rough old days.

According to the National Automobile Club an automobile journal of 1910 advises tourists making a "typical" journey from Chicago to Denver to make adequate preparation and take the following equipment:

"Extra cans of oil, plenty of rope, a block and tackle, a small electric light to read the guide books at night, a supply of inner tubes, a coil of copper wire that is so necessary on every run, a bottle of kerosene to remove carbon from the cylinders, a varied supply of bolts, a collapsible canvas pail for carrying radiator water if a bracket should break, several spark plugs, a tool kit, a small soldering iron for leaks in the radiator, a pump or air bottles, and a can of grease."

These were the good old days!

DON'T NEGLECT CUTS

Don't neglect small cuts, blisters, or rashes while on your summer vacation, advises the National Automobile Club. These can be serious.

More than 500,000 persons have visited the Hearst San Simeon State Historical Monument since it was opened in 1957.

STUDIES REPORT ON ANNEXING CALLAN PARK

Dear Sir:

I have just had an opportunity to study the report prepared by Griffenhagen and Kroeger concerning the financial effects of annexing Callan Park to Daly City.

In view of this independent report which plainly indicates that Daly City will acquire a vast new area and population with all required public works installed and paid for by the developers in advance, I fail to see any legitimate reason for opposing annexation.

The report states unequivocally that the additional tax supported services which will be required in Callan Park will be more than made up for by new revenues generated in the same area.

Furthermore, the added population will make Daly City the second largest city in the county which is of great importance to the residents of Daly City who will soon find themselves in a squeeze if we fail to compete with the communities mushrooming about us.

I think that every citizen who is genuinely interested in the future growth of Daly City and in good government should give careful study to this report.

Respectfully yours,
Donald C. Smith

QUESTIONS OPPOSITION TO CALLAN PARK

Dear Sir:

There's something mysterious and phony going on about the opposition to the annexation of Callan Park. Just last week, the city council approved annexation of a 100 acre tract owned by the Standard Building Company. There were no oral or written protests at the Council meeting. Where was the so-called "Citizens' for Good Government" group? If they really believe annexations would injure Daly City why aren't they fighting Standard as well as Callan?

Because my curiosity was aroused, I checked the records and found that there have been over a dozen annexations approved in the last ten years. None of them had to be voted on at a special election.

St. Francis Heights, for example, submitted a plan for 3,000 homes, the same as Callan Park, and they had no trouble.

Yours truly,
James McLemon

BOOSTS FOR FUTURE GROWTH IN DALY CITY

Dear Editor:

As a taxpayer it seems to me that the only way Daly City can broaden its tax base is by taking in new land and buildings.

I'm for the annexation of Callan Park because, as I see it, unless we get this land and the revenue it will bring, Daly City will give up her future growth.

Every other city in the Bay Area is taking in these developments as soon as possible to get the tax revenues and I think that unless Daly City moves fast, someone else will get this tax money.

Yours sincerely,

Holy Angels Women Appreciate Coverage

Dear Mr. Bradshaw:

During the past year the Marchbanks Publications, in the Westlake Times, The Record and Shopping News, publicized fully the many events given under the auspices of the Women's Guild of Holy Angels Church.

The officers and members of the Guild wish to express our sincere thanks and appreciation for this publicity and in particular to Mr. Roy Hurlbert who was most cooperative in assisting us.

The coverage given to our affairs by your papers added materially to their success.

Sincerely,
Josephine Putkey

DC Rotarians Send $250 To Chile

Daly City's Rotary Club last week announced it would send either $250 in cash or supplies to the Santiago, Chile, Rotary Club to aid that city's earthquake victims.

Club secretary Lou Minkin was instructed to write the Santiago club to determine its needs.

The local Rotarians last week awarded their first "Man of The Month" honor to Dr. Sanford Marcus, Westlake physician and resident who is president of Temple Judea congregation and long has been active in the drive to establish a north county hospital district. Father of four youngsters, Dr. Marcus has offices in the Westlake Medical Building and is affiliated with Mt. Zion hospital. The monthly honor goes to a local profesional or businessman for his accomplishments and community leadership.

Last week's Rotary speaker was Dr. Pierce Nelson, president of the California College of Podiatry, San Francisco. Nelson, invited by program chairman Jerry Miles, traced the history of the college and noted that recently the college opened the nation's first hospital devoted exclusively to the care of feet. He said that 80 percent of all foot trouble is hereditary.

City Attorney Paul Hupf gave the life sketch, informing members that he is a native of Buffalo, New York, served as an officer in the Marine Corps, then attended University of San Francisco where he obtained his law degree.

Bob Ellis will wind up club president Ted Harris' term as president next week by arranging the program. Ellis is the club's permanent program chairman.

The President's Ball for local Rotarians is this Saturday evening at the California Country Club.

Colma Mothers' Circle Awards Fur Neckpiece

Colma School Mothers' Circle drive for a Jefferson High School Scholarship resulted in the award of a five-skin fur neckpiece to Mrs. Jack Mini, 489 Abbot avenue, Daly City. She was one of the mothers who helped to raise the scholarship funds.

The decision on the fur neckpiece was made at the home of Mrs. Eleanor Doyle, 160 Abbot avenue. Buffet luncheon was served. Mrs. Vivian Wingate assisted Mrs. Doyle as co-hostess.

FLAG OF 'RISING SUN' HAULED OFF POST OFFICE

A flag simulating the "rising sun" flew over the Westlake Post Office for some time Sunday before Officer John Coleman spotted it at 10:50 a.m.

Coleman said the ropes were untied and notified the central fire station. Firemen responded and took the flag down. It was a white cloth napkin with a red circle painted in the middle. Coleman said juveniles were the possible flag raisers.

GASOLINE CONSUMPTION

Gasoline consumption in the United States in 1959 hit a new peak estimated at 55.4 billion gallons, reports the National Automobile Club.

DR. SANFORD MARCUS accepts a certificate naming him the Daly City Rotary Club Man of the Month for June from committee chairman Alfred O. Belotz. Looking on is Rotary President Parkes T. Harris, manager of the First Western Bank in Westlake. Dr. Marcus' award was the first given by the local group. Each month a person will be chosen. Any Daly City or Colma resident can submit a name to the committee for a monthly award.

THE RECORD photo

Dr. Sanford Marcus Chosen First Rotary Club Man Of The Month

Dr. Sanford Marcus was announced as the first winner of the Daly City Rotary Club's Business/Professional Man of the Month.

Dr. Marcus, Professional Man of the Month for June, is the first in a series of monthly awards. He received a certificate and plaque for being chosen the person most exemplifying the Rotary ideals as exemplified in the four-way test, "Is it the Truth? Is it fair to all concerned? Will it build good will and better friendship? Will it be beneficial to all concerned?"

A graduate of the University of California and University of Pennsylvania, Dr. Marcus, 39, has his office in the Westlake Medical Building. He and his wife Hanna have four children; Richard, 8, Susan, 6, Robert, 4 and Carol, 2. He is an Assistant Clinical Professor of Surgery at the University of California Medical School.

Dr. Marcus was nominated by a Rotarian and chosen by the committee consisting of Alfred O. Belotz, Reverend Allen Downey, Reverend Lynn Hodges and Max Kurtz.

Belotz, chairman for the Rotary Man of the Month committee, stated that the next person would be chosen in mid July. Any resident of Daly City or Colma is eligible to nominate a Business/Professiona Man for the committee's perusal.

The man's name and reasons for nomination should be sent to "Rotary Club Man of the Month contest, P. O. Box 36, Daly City."

DC Civic Club Women Donate To Camp Fund

Final meeting of the spring term for the Women's Civic Club of Daly City was held at the home of Mrs. Mazie Boyle.

Mrs. Boyle conducted an auction, proceeds going to child welfare. A contribution was made to the Muscular Dystrophy Fund to send afflicted boys to summer camp.

Luncheon was served, and the ladies discussed projects for this fall.

Two Gifts Given To Ben Franklin School Children

Elementary District Trustees Monday evening approved acceptance of two gifts, one from the associated student body of Ben Franklin School and the other from the Ben Franklin PTA.

Accepted were a permanent public address system for the multi-use room, costing $956.10, from the student body, and a television set for the school, donated by the PTA.

Summer Session

Summer session classes at College of San Mateo began Monday, June 20, at both campuses.

The expanded 1960 session, now numbering 21 sections, will be of four, six, or eight weeks, the duration of courses depending on units offered.

A one unit course in State and Local Government (Political Science 23) will run from June 20 to July 8.

The two and three unit courses will be taught in the period from June 20 to July 29. Included in this schedule are the following: Typing A (Business 92a) and Human Relations (Business 58); English 1a and English A; Health Education; United States History (17a); two sections of American Institutions (Political Science 21); General Psychology; Speech 1a, Fundamentals; Trigonometry (Math C); Analytic Geometry and Calculus (Math 3b).

STOPPING

Never stop your car on a busy high, advises the National Automobile Club. Always pull off the pavement and stop on the shoulder.

Summer School Crossing Guards Hired By JESD

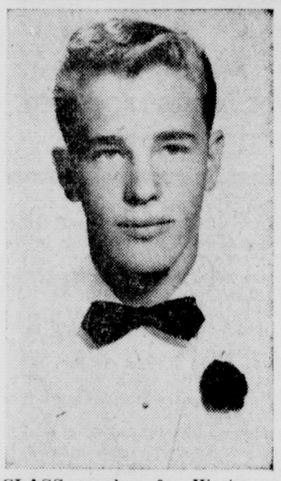
Jefferson Elementary District trustees Monday evening approved hiring of three men as crossing guards for the summer sessions at Colma Intermediate and Benjamin Franklin schools.

Cost to the district will be $400. The action was taken after Superintendent Richard Foster read a letter from Police Chief Roland Petrocchi which stated that no funds had been allocated for such a program, and the city's item for guards is now operating in the red. In addition, it is now vacation time for many of the guards and policemen.

Foster said, "Since the city of Daly City is not in a position to provide the crossing guards for the summer school children, we recommend that we employ the crossing guards at our own expense."

Trustee Frank Verducci approved the suggestion, adding, "The guards are to be placed where the administration believes they will be most needed. We hope that the district will work closely with the City Council in the future to develop this program."

Petrocchi, via letter, stated that a policeman would aid at the crossings whenever possible.



CLASS speaker for Westmoor High's graduating class last Thursday night was Barry Langberg, son of Mr. and Mrs. Nathan Langberg, 674 Southgate avenue. Barry will enter University of San Francisco to major in law. He was a recent finalist in the Lions Club student speakers' contest and won a plaque for his effort.

ORT Features 'Clock Dance'

Plans are now completed for the "Clock Dance" to be given by the Peninsula Region, Women's American ORT, on June 25 at Temple Beth Jacob in Redwood City, from 9 p.m. to 1 a.m.

Ray Hackett's orchestra will provide the music. Theme of the dance will be "Around the World with ORT," featuring those countries in which ORT schools are located. Prizes will include a television set and camera.

This dance will aid the EPIC (Earning Power Improvement Courses) program of ORT which helps students earn as they learn.

ADVICE FOR TRAVELERS

Most motels, hotels and resorts have latches or locks installed on the doors of their guest rooms so that the doors cannot be opened from the outside. These are provided primarily to protect the guest against the nighttime thief who is armed with lock-picking tools or a duplicate key. When traveling, make it a habit always to use this latch when you retire for the night, urges the California State Automobile Association. It's a simple precaution but a wise one.

AMPEX CORP. WORKERS AID CANCER DRIVE

The employees of Ampex Corp., many of whom live in South San Francisco, Daly City, Pacifica and Half Moon Bay, have voted to allocate $1900 to promote the work of the San Mateo County branch of the American Cancer Society, it was announced today.

This brings the society within sight of its $92,420 goal.

J. R. Craik, manager of personnel administration, today explained the contribution is the result of an annual drive among the firm's employees, creating a Community Service Fund. He said, "The employees expressed the wish that this amount go to aid the Cancer Society in its fine work. Many of us have friends or relatives, or have known of people afflicted with cancer. We are all interested in a cure. The more it can be expedited, the more lives will be saved."

John V. Zuckerman, director of personnel, said, "Our employees send with this money their sincere hope that it will be of benefit to the community."

Cancer Society President Mrs. Edward H. Jenanyan in expressing appreciation declared, "Our organization of more than 5000 workers throughout the county is deeply grateful for this tremendous boost. It's a difficult task for us to go door-to-door and ask for funds, but it must be done. It gives us the only opportunity to leave literature that can save a life by reminding of the need to check up. We are most grateful for the kind and generously helping hand given the Cancer Society by the employees of Ampex. It's just such understanding that will speed the day when a cancer cure is found."

Child, 7 Months, Coughs Up Button

A 7-month-old baby girl ended her choking Friday afternoon when she coughed up a ½ inch diameter button while being hurried to Junipero Serra Hospital.

Jenyene E. Saraceni, 7-months, 878 Templeton avenue, was reportedly choking and gasping for breath. Officer John Van Otten placed the baby in the police car and enroute to the hospital the child coughed up a ½ inch button. The doctor at the hospital made a short check of the child and then sent her home with her mother.

JESD Needs To Hire 18 More Teachers To Complete Staff

With the addition of three teachers last Monday, the Jefferson Elementary District trustees have to hire but 18 more to reach the teaching complement of 262 instructors for next year. Three resignations were also accepted.

Resignations were tendered by Sharon Guiles, Thomas Edison second grade teacher; Joan Hart, Ben Franklin physical education teacher; and Elma Zengler, Ben Franklin fifth grade teacher.

Hired were Mary J. Mulholland, who received her B.A. degree from San Francisco State College; Bernard S. Pepper, who received his B.S. degree from the University of California; and Mrs. Dwight Toschi, who received her B.A. degree from San Francisco State College and did her student teaching in the local district.

W'lake Woman At Phi Mu Convention

Mrs. Harold G. Stiefvater, 24 Glenbrook avenue, Westlake, left by plane June 18 for the national biennal convention of Phi Mu Sorority, June 25-30 at St. Louis, Missouri.

Mrs. Steifvater, a former resident of St. Louis, will be visiting her parents while she represents the San Francisco-Peninsula Phi Mu Alumnae Chapter as official delegate to the 26th national convention which will be attended by more than 400 collegiate and alumnae delegates from universities and cities throughout the country.

Hostesses for the convention will be members of the St. Louis alumnae chapter where Mrs. Stiefvater will attend a reunion for all former Washington University Phi Mus. Other localities attending will be the Mmes. H. W. Skillman, national alumnae vice president, and E. Ransom Fox, national chairman of the by-laws committee, both of San Mateo; Mrs. George R. Heath, president of the Berkeley-East Bay alumnae chapter, and student representatives from Berkeley, Beverly Middleton and Julie Hoyt, who are members of the Phi Mu collegiate chapter on the University of California campus.

DALY CITY Planning Commissioner Art Colvin, realtor with offices here and in Pacifica, today announced his resignation from the city post he has held the past two years. Colvin said his resignation was based on "the pressure of business." He is expanding his real estate operations to San Francisco (53 Post street) where he will specialize in Salton Sea and other statewide land sales as well as continue his re-sales throughout the Peninsula area.

Trustees Deny $100,000 Claim For Damages Suit

Trustees of the Jefferson Elementary School District requested that a claim against the district as filed by Harold Keleher, 10 North Mayfair avenue, in behalf of his son Steven Kelcher and in the amount of $100,000 be denied.

Copies were sent to the District Attorney and the district's insurance carrier.

Keleher's claim is that the injury at Westlake School was the result of negligent supervision on the part of the instructor.

Superintendent Richard Foster stated the boy said nothing about an injury. He said Steven complained of a headache and upset stomach. He rested in the nurse's office and then was sent home in care of a person listed on the parent's request card in case of emergency.

Foster said the school heard nothing of an injury until the claim for damages was received by his office.

AROUND TOWN

By ROY HURLBERT

HEAD LIBRARIAN Sam Chandler of Daly City is doubly happy. His brother, Homer C. Chandler, last week was appointed new city administrator of Millbrae. Forty-one-years-young Sam also is moving his wife and three youngsters from Citrus avenue on the east side of town to eye-filling Westlake Terrace.

Diminutive Sam back home in his native Utah had to scramble at chow time 'cause his dad, an internal revenue collector, and mom, who's now 73 and resides at Brigham City, had ten little mouths to feed.

Same has five sisters and four brothers. All of the latter hold prominent professional jobs in Western states.

Homer, the new Millbrae chief, is only 35, and served previously as city manager of Monticello (Calif.) and South Salt Lake City.

★ ★ ★

THE REMARKS of a Vendome avenue resident were so vociferous at last week's Planning Commission meeting that chairman Dick Dwyer, a mild-mannered accountant who lives in Westlake, hustled downstairs to police headquarters and asked to have the gent booked on a charge of disturbing the peace.

Public officials as individuals and boards as a whole sometimes suffer some pretty heavy verbal abuse. That's one of the risks in accepting a commission appointment.

But personal explosions fortunately are the exception here, not the rule.

ANY ONE of the five "Miss Daly City" finalists would have done the city "proud" at the upcoming County Fair "Dream Girl" contest.

Daly City's 21 contestants this year included more than a few "knockouts." Many observers at last week's crowning of Bonnie Jensen were stunned by the extreme beauty of all five finalists.

Each of the 21 gals deserves a word of thanks for showing the courage it takes to walk before a big crowd and all those probing eyes. Remember, most of the girls are in their teens. Many adults have difficulty with poise and personality when multitudes are watching and listening.

Can Miss Jensen win at county level and advance to the all-important State Fair contest? Answer: the judges, many of whom have seen all five successive Miss Daly City, agree that Bonnie indeed has all the makings of a winner—height, beauty, charm and natural humility.

The county contest will be held the evening of July 21 at the Fairgrounds Building. Hometown fans are welcome.

THE JOHN Sorenson family of 80 Garden Grove in Westlake was really down in the dumps the Saturday night before daughter Peggy went to the altar with Alexander Hardt, a chemical engineer from Pittsburgh with a list of college degrees as long as your arm.

Peggy's brother mistakenly tossed out the bridegroom's suit and the ushers' attire when he took what he thought were empty boxes to a local dump.

Dad Sorenson, wife Marie, and the blushing newlyweds-to-be came home late Saturday (from another wedding) and discovered their loss.

It didn't take much deductive reasoning to route their frantic footsteps to the garbage heap. Just before the stroke of midnight they retrieved the still usable costumes from an underground fate.

P.S.—The couple exchanged vows the next day, with the Rev. Herbert Tweedie doing the honors at Broadmoor Presbyterian Church. And nobody knew more than Alex and Peggy how excruciating those last few hours were. They laughed the loudest.

THE MORE the merrier. San Mateo County's 1950 to 1960 population gain amounted to 86.4 percent compared to 70 percent for Marin, 34.6 for Contra Costa, 25.6 for Solano, and 19.8 for Alameda.

Case you haven't heard, San Francisco acquired the Giants and Candlestick, but has lost 60,288 to the suburbs since 1950 when the head count there was 775,357.

San Mateo County added 204,527 over the 10 years to make its present total 439,186. Alameda County is the Bay Area bigshot with 886,661.

Further south, Santa Clara County registered a scintillating 120 percent jump. In 1950, 290,547 populated the greater San Jose area. Today the figure is 639,645, and watch out Mayor Christopher!

COUNCILMAN and ex-mayor Guido Rozzi, the South San Francisco furniture merchant, proposes that the Industrial City fathers review their building and minimum lot size specifications in the hopes of being more practical and conducive to more growth.

He hints that SSF's 5000 square foot lot size minimum (50x100) may be keeping developers out and thus blocking that burg's outstanding industrial and residential potential.

THE corrected estimate on the number of homes in the Panorama annexation to Daly City (pending before the city council) is about 700 on the San Mateo County side of the line.

Standard Builders of San Francisco, the developer, plans to construct 75 to 100 of these domiciles a year. The city's annexation agreement will include "tots lots" for recreation. There have been no protests to date on the proposed northeasterly addition to Daly City's boundary.

Due east, ladies and gentlemen, lies the biggest hunk of annexation cake of all, the Crocker estate — some 5000 acres where light industry is expected to eventually get the green light. May be at least 10 years, however, before the Crocker folks are ready to talk turkey about piecemeal development.

THE BIG "hump" in Westlake (hilly strip behind Our Lady of Mercy church and school, and between Southgate and South Mayfair) soon will be leveled and the long existing eyesore abated.

The State Supreme Court recently ruled in favor of the city, the archdiocese and the Doelger Corporation in their combined litigation against the defunct railroad's stockholders.

City Attorney Paul Hupf reports the only avenue left to the Ocean Shore people is the traditional appeal to the United States Surpreme Court.

Court action over the hump dates back a long ten years.

Just for the record's sake, the city manager's last name is Frank, not Franks. A few of the councilmen unintentionally have referred to the CM as Mr. Franks in remarks at council meetings.

Possibly the councilmen are having trouble because Mayor Frank Pacelli and Edward Frank often are called by their first and last names respectively.

At any rate, please leave the "s" off Frank if you're referring to Edward the city manager.

FIRST SOUTHERN BAPTIST CHURCH LISTS SCHEDULE

The program and schedule of services at the First Southern Baptist Church of South San Francisco will remain the same during the summer, according to an announcement today from the Rev. Ralph Caffey, pastor.

He said it is the practice of most Southern Baptist churches to continue their programs of worship, education and training the year around.

Regular Sunday services include Sunday school at 9:30 a.m., worship service at 11 am., training union at 6:30 p.m. and the evening worship service at 7:30. The Wednesday evening prayer meeting begins at 7:30, preceded at 6:30 p.m. by a meeting of Sunday school teachers and officers.

Rev. Caffey also announced that the church's two-week vacation Bible school ends this Friday.

RECENTLY installed new president of Our Lady of Perpetual Help Mothers' Club is Mrs. William Gonzales, 344 Westlake avenue, Daly City. Members honored Mrs. Peter Lofrano, outgoing president, during the June meeting at OLPH School hall.

Mrs. William Gonzales Elected President Of OLPH Moms' Club

Our Lady of Perpetual Help Mothers Club of Daly City held its installation of new officers at the June meeting in the school hall.

During a candlelight ceremony, Mrs. William Gonzales, 344 Westlake avenue, was installed as president; Mrs. Edward Nolan, vice president; Mrs. Donald Holmberg, recording secretary; Mrs. Jack Morgan, financial secretary; Mrs. Cyril Springelmeyer, treasurer, and Mrs. Earl Hethcoat, auditor.

Also installed was the board of directors: Mrs. Harvey Mumford, Mrs. George Calegari, Mrs Peter Lofrano, Mrs. Anthony Nunes and Ray Chelone.

Mrs. Gonzales spoke about her plans for the new year of activities.

Retiring president, Mrs. Lofrano, was presented with a missal from the membership.

Mrs. O. Fair and Mrs. Milan Stanley were chairmen of the program.

Thomas J. Kollmann Ends Army Course At Georgia Camp

Army Recruit Thomas J. Kollmann, 19, son of Mr. and Mrs. Edwin J. Kollmann, 67 Abbott avenue, Daly City, recently completed the eight-week telephone switchboard operation and maintenance course at The Southeastern Signal School, Fort Gordon, Georgia.

Kollmann entered the Army in January of this year and received basic training at Fort Ord.

He is a 1958 graduate of Jefferson High School and attended San Francisco City College. Kollmann is a member of Zeta Phi Sigma fraternity.

LITTLE LEAP

... OVER A BIG BOULDER

With Lou Lucia

Ba! Bah! No black sheep. They were all white.

In a recent issue, this paper carried the story of dead sheep being thrown from an Australian ship and washing up to the shore at Thornton Beach.

Ths could have been a national calamity if reports we at first heard were true. Struggling down the mountainside, with camera unfurled like a flag, we ran into two teen-age horseback riders. Our first question was naturally, "Are the dead sheep located over that hill?"

The gal, no flair for imagination, said, "Yes, a couple. What time is it? The boy, inventive sort, stated, "Yes, thousands." (There were actually between 25 and 30. Estimated total that had been dumped off the ship was 500.)

So we took our 1000-pound camera and trudged over mountains as gigantic winds fanned our face as we struggled towards these thousand sheep. This woolly story was not about to be shorn from our hands by the swirling sandstorm that kicked what felt like huge boulders (sand) into our face.

And there they lay before us, the thousand sheep (about one every 20 to 50 yards apart). A couple approached, holding hands. He looked like Rock Hudson and she like Jayne Mansfield. We asked if they would like to get in the Lou Goldwyn production and they said "no."

We took our picture with the cinemascope camera and started climbing the peak again. Conquerors of Everest never had it so bad. (No exaggeration here, as we rested three times before making the top.)

A policeman, appearing to us as a knight in shining armor, sat upon his trusty steed. (The old nag seemed to be panting from the weight.) San Francisco PD badge 1163 looked down upon us as he would a serf, or perhaps surf board (in the prone position we were in). We muttered back and forth about the mutton (actually we were in the same condition as the old filly, tired).

Actually, everything that happened in the above narration was true, we just "colored" it a bit with a heavy coat of Exaggeration Paint. But why not, if that teener saw a thousand sheep down there he magnified by exactly 40 times what actually was there, "ewe" know what I mean?

If this story was about chickens I might have received the Pulitzing the leg Prize. As things are I'll only receive the Babble (no relation to the Nobel) Award.

43 Teachers Hired For Elementary Summer School

Jefferson Elementary School District trustees Monday night approved 43 teachers for the five-week summer school session to be held at Colma Intermediate and Ben Franklin schools beginning June 27 and ending July 29.

Pay scale is $500 for the five-week period. Superintendent Richard Foster said, "It is understood by all teachers involved that any reduction in the number of hours that they are employed will result in a proportionate reduction in the salary involved.

A total of 1193 students will attend summer school, 716 at Ben Franklin and 477 at Colma Intermediate.

The teachers are:

Peggy Barrett, Joan Beatie, Gina Beck, Gladys Bohleen, Alice Bohn, William Briner, Julia Burr, Margaret Connor, Monty Davis.

Bob Daugherty, Betty DeBolt, Jim Hough, Carl Hunter, Myrna Jones, Robert Kautch, Bertha Kessler, Bob LaCava, Mario Lombardi.

Old Glory Post Starts New Year Membership Drive

A large group of Old Glory Post 2044 and its ladies' auxiliary attended the final meeting of county council, Veterans of Foreign Wars. The Auxiliary monthly report given by President Catherine Albertus showed that Daly City is doing excellently in membership and activities.

The monthly senior citizens' luncheon-game Sunday was enjoyed by 15 senior citizens at the home of senior citizen chairman Pat M. Fawcett. Hazel and Harvey Viele, of Daly City, secretary and treasurer of the local Nite Owl Roost, brought a group of senior citizens from the Roost.

The monthly meeting of the Nite Owl Roost, held in the War Memorial building, was attended by members of Old Gloyr Ladies Auxiliary, last Sunday. Speaker was Ted Stewart from the Los Angeles Roost, and closely connected with Ben Hunter, who heads the Nite Owl Group from KFI in Los Angeles.

John Pettit, assistant to President W. L. Rothchild of the Yellow Cab Company, was also present. Included in Pettit's party were Mr. and Mrs. Kim Yee Yap, brother and sister-in-law of Chief of Police of Honolulu.

Both praised the War Memorial building facility. Stewart was formerly a member of the Los Angeles Police department and now works for the Yellow Cab company in Los Angeles.

The membership drive is starting out now this year. New members will be accepted at this week's general meeting. All are invited who are, or have been, members of the armed forces during time of war, their wives, mothers, sisters, or daughters, from the Spanish-American War, through the Korean conflict. Contact PL 5-1562 or DE 3-5696.

CLASS OFFICERS posed with Principal John Mongan and Father Matthew Sullivan following the Baccalaureate Mass and breakfast which was held at Our Lady of Perpetual Help last Thursday morning. The Mass was for graduating Jefferson seniors, 100 attending, and sponsored by Court St. Mary No. 1155, Catholic Daughters of America. Colma Faculty Dinner Tells Summer Plans

A progressive dinner concluded the teaching year for the faculty of Colma K-6 School. During the evening the group dined at the homes of the Mesdames Malone, Silberstein, McKeown, and Cody.

Climaxing the evening, bride-to-be Sidney Warren was presented with a sterling silver bowl. Mothers-to-be Beverly Burley and Margaret Byrd received baby blankets and toys from their co-workers.

Summer plans revealed that Ruth Lazore will attend a workshop in conservation education at University of Montana. Barbara Busetto, Jean Fletcher, and Iola McKeown will participate in a workshop in foreign language in the elementary school at Lone Mountain in San Francisco, and Pat Dimond will be a summer student at College of Notre Dame in Belmont.

Adrienne Nelwon will be a member of the summer school faculty in Jefferson Elementary School District and will also take conversational French at San Francisco State. Myrtle Culley and Janet Best will also attend San Francisco State.

Army Engineer Awards To 9 Peninsulans

Nine Peninsual residents, all Army Engineer employees, received official commendations and service awards during a brief ceremoney conducted recently by Col. John S. Harnett, San Francisco District Army Engineer.

F. Theodore Peyton, 64 West Cavour street, Daly City, was presented a 30-year award while 20-year service pins were received by Gerald T. Trail, 833 N. Idaho, San Mateo; L. Donald Doty, 542 East Capistrano Way, San Mateo; John F. Murdock, 1797 Juarez avenue, Los Altos; Elmer R. Getchell, 795 Palm avenue, Seaside; George B. Whitehead, 863 Beechwood drive, Colma; and Mrs. Lucille C. Meighan, 1176 Nimitz drive, Colma.

Ten-year pins were awarded to Miss Marie Marshall, 625 Elm street, San Carlos and Mrs. Doris Chives, 824 Ellis drive, Colma.

The award ceremony was part of the Army Engineers' 185th anniversary celebration.

PENINSULA ORT ladies will present their "Clock Dance" this Saturday evening at Temple Beth Jacob in Redwood City, with music by Ray Hackett's orchestra from 9 p.m. to 1 a.m. The theme is exhibited by (left to right): Mrs. Leon Tager, San Carlos; Leonard Neumann, Belmont; Mrs. Moise Silber, South San Francisco, and Mrs. Julius Geller, co-chairman of the dance, Daly City.

Temple Judea Membership Drive Timed With New Rabbi's Arrival

Temple Judea, the youngest Reform Congregation in the San Francisco Bay Area, located in Westlake, will soon launch an active membership campaign with the arrival of its new rabbi, Robert W Shapiro of Boston, Massachusetts, who will assume his position with Temple Judea July 1.

Mrs. Arnold Beinner and Mrs. Anthony Bressman, co-chairmen of the membership committee, call attention to the High Holy Services to be held at First Unitarian Church on Franklin and Geary streets this year. The size of the church affords ample room for members of the congregation and friends of the community to meet and hear Rabbi Shapiro. Services will be conducted by Rabbi Shapiro and Cantor Harold Wachter, augmented by an 11-voice professionally trained choir with Dr. W. Leonard Beck at the organ. Ample parking facilities are now being arranged. It is urged that reservations be made as soon as possible by phoning the temple office, PLaza 5-6362, while seating accommodations are still available.

Membership in Temple Judea includes High Holyday seating as well as Sunday school and weekday Hebrew school registration. Children are accepted for enrollment commencing one year prior to enrollment in public school in the pre-kindergarten class up to confirmation. Membership also includes Bar and Bas Mitzvah training as well as many other privileges. For further information, phone the temple office.

Robert Langsam, son of Mr. and Mrs. Fred Langsam, will become a Bar Mitzvah this Friday night, June 24, 8:30 p.m. at Westlake Auditorium, 333 Park Plaza drive.

Wayne State Prof Speaks

Fritz, Redl, Ph.D., Distinguished Professor, School of Behavioral Sciences, Wayne State University, Detroit, Michigan, will speak on "The Acting Out Child" under the auspices of the Guidance and Counseling Alumni of San Francisco State College on Wednesday, June 29, at 8:30 p.m. in the Main Auditorium, Creative Arts Building, San Francisco State College, 1600 Holloway avenue, San Francisco.

The Acting Out Child is a subject of vital interest to all involved in working with children.

Admission to the lecture is $1.50 (donation to the Scholarship Program of the Guidance and Counseling Alumni) and tickets may be obtained by writing to: John Truch, Treasurer, Guidance and Counseling Alumni Association, c/o Dr. Virginia Lee Block, San Francisco State College, 1600 Holloway Avenue, San Francisco 27, or at the door the night of the lecture.

'All-American' Folk-Dancing

One of the featured dances on the Fourth of July folk and square dance program at the Marina Green, foot of Baker street in San Francisco, is the All-American Promenade.

The music for this simple mixer is a medley of American tunes, including "Yankee Doodle" and "California, Here I Come."

San Francisco Folk Dance Carrousel, hosting the folk and square dance program from 1 to 3 p.m., hope lots of Californians do come to join in the fun at the Marina Green.

Dancers and spectators and out-of-state folks are equally welcome.

Like all festivals sponsored by the Recreation and Park Department, this event is free.

General Electric Missiles Chief Discusses Space Travel Prospects

At first look, women will love space travel. They'll age slower.

But there are drawbacks. Space travelers will be shorter and heavier.

Those were some of the comments here Tuesday night by Donald E. Mullen, manager of advance developments with General Electric Company's missile and space vehicle department in Philadelphia.

Speaking at the annual dinner of the San Mateo County Development Association at the California Golf Club, Mullen quoted an astronomer and said the intellectual progress from ape man to modern man is "enormously greater than the intellectual progress now required to travel between the earth and stars."

Noting that the earth is a minor planet of a strictly run of the mill star among the 100 billion stars in our galaxy, he said our galaxy is strictly a run of the mill galaxy among billions of other galaxies.

Mullen's department was created several years ago to explore and apply the technologies associated with advanced missilies and space vehicles—for military, scientific-space and commercial-space purposes. The General Electric department has a district office in Los Angeles and field test installations at Point Arguello, Edwards rocket base, Mountain View, Sacramento, Vandenberg Air Force Base and in California.

Last month in Los Angeles Ralph J. Cordiner, chairman of the board, said that just as private enterprise played a major role in opening up frontiers of the past, so, too, will it play a major part in the exploration and economic development of space.

Mullen told his audience that every star similar to our relatively slow spinning sun could and should have a system of planets, such as our sun has.

Just within our known galaxy—the "milky way," he said, there are about 10 billion stars (or suns as we call them" likely to have planetary systems.

Even at the speed of light (186,300 miles per second), some flights between stars will require generations of humans. Obviously, he said, this kind of operation will involve close knowledge and control of the basic life processes and the original life cycle.

"We will have to know, create and control nature's long term life balance. One completed experiment," Mullen related, "is particularly interesting.

"There is an island off Alaska populated by deer. Since it is too far for deer, humans or other animals to swim, it is in a very real sense, a closed life cycle. My associates in science experimentally introduced unbalances, such as other animals, to observe the transient and the long term effects.

"We are attempting to build an exact mathematical model of the process and with it, plus subsequent tests, predict the long term life balance that the interstellar travelers and their unborn generations will live within," he explained.

Mullen indicated that a number of estimates have been made about the number of other planets within our own galaxy that might have human beings inhabiting them.

"Just taking the most pessimistic analysis—the minimum estimate," Mullen said, "the probability of life as we know it for human beings reveals that at one time or another, intelligent beings have walked,

Court St. Mary's Installation This Thursday Evening At OLPH

Mrs. Charles J. Pietro, District Deputy for Court St. Mary No. 1155, Catholic Daughters of America, will officiate at officers installation ceremonies this Thursday evening at 8:30 at Our Lady of Perpetual Help Hall, 80 Wellington avenue, Daly City.

Recipients of the Christian Doctrine awards, given by Court St. Mary to the outstanding boy and girl student of the Our Lady of Perpetual Help Schools' graduating class in recognition of their religious endeavor achievements, were Madaline Tremeroli and John Scalia. The awards were announced, and presented, at graduation exercises on Wednesday evening, June 15, at Our Lady of Perpetual Help Church by the Rev. Matthew P. Sullivan, assistant pastor of OLPH.

The Baccalaureate Mass, sponsored by Court St. Mary, C.D.A., for Jefferson High School graduates on Thursday morning, June 16, at the OLPH Church, was attended by 120 members of the class and the faculty. Father Sullivan was celebrant of the Solemn High Mass, which was followed by a three-course breakfast in the parish hall. Present at the breakfast also were the priests, who assisted at, and the altar boys, who served, the Baccalaureate Mass.

Father John Heaney was the speaker of the morning.

Court St. Mary will recess for the summer period following the installation of officers, but various chairmen will continue their charitable activities. Mrs. Louise M. Barnard, social welfare chairman, will continue her weekly Tuesday visits to the Little Sisters of the Poor, and and her Wednesday visits to the Alemany Senior Citizens Center.

Camp Fire Girls At Woodside Camp 'Gold Rush Days'

Session I of the Camp Fire Girls' Day Camp is being held at Huddart Park, Woodside, in the Kings Mountain area.

Blue Birds and Camp Fire Girls from North San Mateo County are attending this week of "Gold Rush Days." Camping experiences provide adventure, fun and excitement. The camp program includes camp fires, hikes, cook-outs, singing, camp crafts, nature lore, dramatics and hand crafts. An overnight camp-out on Thursday, returning home Friday noon, is the climax of each session.

Colma Soldier With Cavalry Unit In Korea

Army Pfc. Thomas W. Brooks, son of Edwin Brooks, 831 Stoneyford drive, Colma, recently participated with other 1st Cavalry Division personnel in a special field training exercise in Korea.

During the exercise Brooks helped repair and improve such main battle positions as weapons emplacements and fortifications in the area manned by the 1st Cavalry Division.

Brooks, a radio-teletype operator in Headquarters Company of the division's 5th Cavalry, entered the Army in July 1959 and arrived overseas last May.

The 20-year-old soldier, son of Mrs. Margaret Watson, 270 West Second street, Salt Lake City, Utah, attended Galileo High School in San Francisco.

DC Sailor On Ship Which Carried Ike

William L. Hillegas, commissaryman third class, the son of Mr. and Mrs. Chester Hillegas of 40 Vista Grande avenue, Daly City, is serving aboard the heavy cruiser USS St. Paul which took President Eisenhower from Manila to Formosa on June 16. The St. Paul is the flagship of the U.S. Seventh Fleet.

A GALLON OF GAS

Take a gallon of gas, stretch it out over 15 miles, and you'll get a thin little thread about the diameter of a hair from a horse's tail.

Put that same gallon of gas into the tank of your 3,000-pound car, load yourself and your family into the car, and that gallon of gas will carry you for 15 miles with the greatest of ease.

That, points out the National Automobile Club, is how much power the petroleum people have built into that explosive little thread.

Rev. Crummey Local Methodist District Leader

The Rev. D. Clifford Crummey, recently of Stockton, will be superintendent for Methodist churches of the new Golden Gate District, including Daly City, for the coming year.

He was named by Bishop Donald H. Tippett to supervise the 32 churches of San Francisco and of San Mateo County north of Redwood City. Previously these congregations have been in either Metropolitan or San Jose District, whose size was reduced. This increases the number of districts to eight within Northern California and Nevada.

Dr. Crummey has been pastor of Grace Methodist Church, Stockton, since 1953, and earlier served pastorates in Rhode Island, Gerber, Mill Valley and Palo Alto, Calif., and three years as a Navy chaplain. He is a graduate of College of the Pacific and of Boston University School of Theology and Union Theological Seminary. He has been president of the church's Board of Education for Northern California and Nevada the past seven years.

Award System At Episcopal Church School

Inaugurating a new attendance award system for youngsters, St. Martin's Episcopal Church began its summer session of the church school last week.

At the end of the summer season, attendance awards in the form of "Cross and Crown" pins will be presented to children who are present for 10 out of 12 Sundays. If they are on vacation, they should have their cards signed by the minister of the church which they attend. The new attendance system will be divided into quarters with a new quarter beginning in September.

Church services at St. Martin's during the summer will be Holy Communion at 8 a.m., and morning prayer at 9:30 a.m. with nursery care and church school for third grade and under. Older youngsters will remain in church. There will also be an 11 o'clock service of morning prayer.

Activities for St. Martin's organizations will recess during the summer months. However, the women of the church will be occupied with plans for the fall festival to be held in October.

Florian P. Maroney Weds Harold Kopp In OLPH Ceremony

Miss Florian P. Maroney of Daly City became the bride of Harold Kopp in a June 11 morning ceremony officiated by Father Lynch at Our Lady of Perpetual Help Church.

The bride is the daughter of Mr. and Mrs. Joseph P. Maroney, 417 Santa Barbara avenue, Daly City. She is a graduate of Jefferson High, St. Mary's College of Nursery, and University of San Francisco. Her brothers are Joseph and David Maroney.

The benedict's parents are Mr. and Mrs. Alvin Kopp of 1623 29th avenue, San Francisco. He attended Washington High School, University of Santa Clara and University of California, and was affiliated with Tau Beta Pi, Alpha Sigma Nu, and the A.S.M.E.

The couple will make their home in Oakland while Harold completes his work at University of California for a PhD.

Maid of honor for the bride was Mary Ellen Downie. The bridesmaid was Miss Ruby Denham. Best man was David Kopp, and the ushers were John Doty, Dickie Enandi, and Curt Gilley.

The wedding reception was held at Fox Hostess House.

Rev. Thomas, Wife Travel To Kansas City

The General Assembly of the Church of the Nazarene is now in progress in Kansas City, Missouri. The Rev. and Mrs. Vernon E. Thomas and family left for the Assembly last Saturday morning to attend the sessions.

The International Denomination of the Church of the Nazarene holds its Quadrenial Assembly in Kansas City every four years. Delegates come from many parts of the world to represent 311,300 members and 40 world missionary areas. There are churches of the Nazarene in the British Isles, Australia, New Zealand, South Africa, Italy, and Japan as well as other foreign fields. There are 45,000 native Nazarenes in 736 organized churches on the foreign fields. There are 80,000 enrolled in Sunday Schools in the foreign field. Statistics for the years ending in 1959 showed that the per capita donations for members of the church was $135.51.

The Thomases will continue east and south to visit relatives. They will spend several weeks in Clearwater, Florida, at the home of Mrs. Thomas' sister and brother-in-law, Mr. and Mrs. Cleveland Insco, before returning to the Broadmoor Church of the Nazarene. In their absence, the Rev. Monty Davis of Broadmoor will assume the pulpit.

'Prayer Book Pilgrimage' Is Saturday

Commemorating the 381st anniversary of North America's first religious service in English, the annual Prayer Book Cross pilgrimage will be held this Saturday, June 25, at 11:30 a.m. in San Francisco's Golden Gate Park.

Guests invited for the occassion include the Rt. Rev. Bishop Henry H. Shires, Admiral Chester W. Nimitz and British Consul Chandor Harcourt. Speaker for the day will be San Francisco Supervisor Henry Rolph.

Choir and processionalists will be led by the Rev. Gerard P. Mundy of St. Aidan's Church, San Francisco, as the pilgrimage begins at the site of the cross, near the 19th avenue overpass on the Park's main drive.

Yorke Council Knights Name New Officers

Grand Knight Patrick R. Maloney presided at the Father Peter Yorke Council, Knights of Columbus, meeting on June 14, when the election of new officers was conducted.

The new officers are: Grand Knight, Thomas R. Shimer; Deputy Grand Knight, Richard Zimmer; Chancellor, David S. Glines; Treasurer, Joseph J. Colliura; Financial Secretary, Emmet Smith; Warden, John Van Huystee; Recorder, Herbert Blackmore; Advocate, Donald G. O'Sullivan; Inside Guard, John Murphy; Outside Guard, Roy Tesch; Trustee, three years, Patrick R. Maloney; Trustee, two years, Leonard Asiano; Trustee, one year, Thomas J. Dillon.

The Rt. Rev. Egisto Tozzi will continue to serve as chaplain for the ensuing year. First order of business under the new Grand Knight will be the orientation of new officers in their respective duties and the appointment of committee chairmen for the new term.

Saturday, June 18, the new officers attended a workshop meeting at San Mateo Council No. 1346, with State Deputy Arthur Melka in charge.

Rabbi Speaks On 'Eichmann Case' Friday

Congregation B'nai Israel will hold Sabbath Eve services this Friday, June 24, at 67 Los Banos avenue, Daly City. Services are conducted by Rabbi Solomon A. Shore and begin at 8:15 p.m.

Sunday School pupils celebrating their birthdays during June will be honored during the services. The students are Lorinne Berman, Ferne Cuttler, Jay Jacobs, David Klonoff, Michael Klein, Helen Lichtman, Jonathan Pava, Dennis Salomon and Peter Fenyes.

Rabbi Shore will give his evaluation of the Eichmann case during his sermon entitled "Will Justice Triumph?"

On Sunday, June 26th Congregation B'nai Israel Men's Club will sponsor the annual Sunday School picnic, announces President Ernest Hartmann. The event will be held at San Gregorio Beach and will feature an afternoon of food and fun for all. A free lunch will be given to students of the Sunday School, according to chairman Rudy Solomon who encourages all families and friends to attend.

TV and Radio

By Mona Baker

Exciting news from KTVU is the announcement that they have just completed negotiations for bringing to viewers in the Bay Area, the celebrated dramatic series, "The Play of the Week" which has been receiving enthusiastic praise across the nation wherever it has been shown. Featuring leading stars of Broadway, Hollywood and international theatre as well as many of the nation's outstanding playwrights, the series is a complete two-hour production.

Although the time and hour has not yet been established, KTVU plans to schedule the program in "prime" evening viewing time. Premiere date and time will be set within the next few weeks.

* * *

Important news, too, from the California Academy of Sciences which produces the award-winning "Science In Action" with Westlake resident Dr. Earl Herald as host. Thirteen of the recent best of the noted science series have been supplied to the United States Armed Forces and will be shown overseas. Utilizing a new process called "Videotram," tapes of the shows have been copied on film. The effect of this new process is that the program will now be available to more stations because there are many channels throughout the country which do not have videotape machines, but can utilize the film.

The record-breaking total of $47,000 was raised during KQED's recent five-day auction. This money will defray only approximately 12 percent of Channel Nine's operation costs. Other sources of income include program contracts, foundation grants and corporate gifts. Another income source is individual memberships. If you were unable to participate in the auction, why not take out a $10 membership—it is returned to you many times over in the splendid programming that is available for both you and your youngsters on your community channel.

Fall plans for NBC include a new two-semester course in contemporary mathematics to be presented in color over "Continental Classroom." Watching the course in Modern Chemistry just concluded were 543,000 students daily, and over a two-week period the program was seen by more than 2,500,000 different viewers.

Westinghouse Broadcasting Company is planning a debate series for political candidates, national and local in Lincoln-Douglas tradition, which will be seen over the local outiet, KPIX.

St. John's Ursuline Alumnae Association Lists New Officers

St. John's Ursuline Alumnae Association today announced the election of new officers for 1960-1961 at their annual tea.

They are: President, Mrs. Robert Simon; Vice-President, Miss Adele Guibert; Secretary, Mrs. Gerald Delfino, and Treasurer, Mrs. A. Minoletti.

The members of the graduating class of 1960 were introduced to the alumnae and welcomed into the association.

A special honor was given to the first members of the Alumnae Association to have daughters graduating from St. John's this year. They are: Mrs. Timothy Leahy and daughter, Mary Ann; Mrs. Elmer Sorensen and daughter, Joan; Mrs. Karl Wettleland and daughter, Bernice; Mrs. Timothy McSweeny and daughter, Marjorie.

Daly City Marine Completes Training

Marine Private Dave N. Hazlitt, son of Mr. and Mrs. A. R. Levin of 146 Camelia drive, completed four weeks of individual combat training June 3 at the Marine Corps Base, Camp Pendleton, California.

The course included the latest infantry tactics, first aid, demolitions, field fortifications and advanced schooling on weapons.

Trainees learn that all Marines are basically infantrymen, whether they serve as cooks, typists, truck drivers, or with aviation units.

English Teaching Course Offered At State College

San Francisco State College is offering a special series of courses in teaching of the English language during the summer session from June 27 to August 5. This series, "Linguistics, Theory and Application," will be an intensified version of several courses now offered, and will be given to both teachers and students. It is designed to aid teachers in their presentations of English courses, particularly to foreign students.

The program is being offered for the first time at State in answer to the growing pressure for additional English courses. John Dennis, chairman of the program, points out that the government, too, has taken an active part in the furtherance of such programs throughout the nation.

Six teachers will be teaching this program which will include "Modern English Grammar," "Methods and Materials of Teaching English as a Foreign Language," and "Introduction to the Study of Language," all three unit courses.

Dennis feels this program is especially appropriate because of the number of foreign-born citizens in the Bay Area. San Francisco State alone has over 300 foreign students.

Additional information about the course can be obtained from the Summer Session Office at 1600 Holloway avenue, San Francisco 27, California.

At a recent afternoon meeting at the home of Mrs. Pulsifer, program chairman for 1960-61, a committee started the activity for program arrangements for the coming year. Details of the program will be announced at a future date.

Sea Scouts Again Plan Xmas Tree Lot In Westlake

Because of the tremendous support shown in 1958, Daly City's Sea Scouts have made the tentative plans to again run a Christmas Tree lot in Westlake.

As in the past, Bank of America stands ready to start the boys off with an initial loan through the services of the retired ship's skipper, Jay F. Irick.

Bob Gunthorp, new Skipper of the Sea Scout Ship, once more plans to give up a week of his annual vacation time to "live" on the lot. Others among interested adults contacted have promised to either do likewise, or at least devote a substantial amount of their time to supervising the activity.

A special meeting of the Ship's Committee, headed by Albert S. Wilson as chairman and Frank De Martini as the institutional representative, will be held shortly to finalize the plans.

The response allowed the Sea Scouts, sponsored by the WSIA, to purchase and completely outfit three small sailboats which are used, and normally kept moored, at Lake Merced.

No sale was held last year primarily because the Sea Scouts were temporarily undersized—a condition which no longer is the case—and accordingly, there could not be the parent support so directly necessary to the success of such a venture. The unit is now almost at full strength; only three vacancies currently exist and, while interested boys are still welcome to look into joining, there is no active recuriting going on at the moment.

St. Thomas More Church Women Install New Sodality Officers

The Sodality of Our Lady of the Assumption of St. Thomas More Church installed new officers at a meeting Tuesday evening, June 7, in the church.

The officers are: Mrs. Eugene Kiep, prefect; Mrs. William J. Sweeney, Jr., vice-prefect; Mrs. Francis J. Curry, recording secretary; Mrs. D. H. Robinson, treasurer; Mrs. Reno Rapagnani, corresponding secretary; Mrs. William Mahar, assistant treasurer.

At a business meeting in the church hall following the installation ceremony, Mrs. Kiep introduced the following new council members: Mrs. Robert Keefe, Richard Dunn, Mrs. Edward Coppola, Mrs. Gil Restani, Mrs. James P. Kelly, Mrs. J. P. Dunn, Mrs. Eugene Caradeuc, Mrs. Norman Wheeler, Mrs. Armond Suacci, Mrs. Robert Guenley.

New Standing Committee chairmen are: Mrs. T. E. Kirkbride, spiritual; Mrs. James Flynn, sacristan; Mrs. William J. Sweeney Jr., membership; Mrs. Gil Restani, hospitality; Mrs. J. M. Renfrow, welfore; Mrs. Harry Squeri, program; Mrs. Robert Buckley, publicity; Mrs. Frank Frank, school mother; Mrs. H. L. Edwards, Legion of Decency, and Miss Elsie Schou, representative to the National Council of Catholic Women.

County Citizens Committee Urges Continued Help In Chilean Drive

Members of the San Mateo County Citizens Committee for Chilean Relief reported today that residents of Chile face their worst crisis in the coming month.

Already stricken with widespread earthquakes, Chile is entering its winter season, with thousands of residents homeless, without proper shelter, food or clothing. Sickness and floods have added to the local problems, according to reports received here by both the Salvation Army and the American Red Cross.

Dr. Pierre Salmon, chairman of the committee which was appointed by the county Board of Supervisors, praised collections already in progress by the various service clubs and agencies of the county. He commented, "the response is great in this area especially, because we all realize what it means to sit on an earthquake fault."

The new committee has two major purposes: to keep local donor groups informed of the efforts and needs in Chile, and to coordinate all efforts and activities to assure donors that their donations are properly channeled to the area of need.

Those present at the organization meeting programmed a weekly reporting schedule on all donations, so that members of the community might know progress in the local relief project.

Members of the committee assisting Salmon are Samuel B. Hepburn of the Salvation Army; Mrs. Vivian Blanchard, Menlo Park, for the American Association of University Women; Richard B. West, Redwood City, Kiwanis Club; John J. Broderick, American Red Cross, San Mateo Region; Victor E. Robinson, South San Francisco, Rotary Clubs; Mrs. John Loretz, San Mateo, Catholic Social Service; Mrs. Lucille Staub, San Mateo, Assistance League of San Mateo County; Dick C. Schroeder, Brisbane, President of the Peninsula Council of Lions Clubs; Mrs. Jack Yager, San Carlos, Seventeenth District, Parent-Teachers Association; the Rev. George King of Peninsula Council of Churches; Mrs. Barney Bristow, San Mateo, United Crusade. Agency staff members assisting the committee are Bernard Finkelstein, Community Council; Francis Taylor and Carlos Lee American Red Cross; Miss Bea Gaines, United Crusade.

Dr. Salmon suggested that any groups or donors wishing further details on how to make local contributions may call the Community Council at Fireside 5-7963.

Custodian, Vinje Helps Recall Vista Mar Year By Movies

Gene Vinje, cooperative custodian at Vista Mar school, showed the year's movies he had taken of the various student activities of classes at Vista Mar. These included the spectacular Halloween parade, the Christmas Carol program, the Spring Festival, the Easter Parade, Open House programs, and PTA Life Membership award presentations.

Students enjoyed recalling these events and evaluating themselves. Each year through the cooperation of Vinje, and financed by the Vista Mar PTA, these movies are taken to recall school activities.

Rocks Cause $300 Damage To Trucks

Rocks thrown over a fence at the New Mission Plumbing Company field office at Westmoor avenue and Morningside drive caused $300 damage to truck windshields between 5 p.m. Tuesday and 8 a.m. Wednesday.

Joseph Steffen, manager of the firm, told Officer Charles Munday that three truck windshields were broken.

Chevy Dealers Launch 'Summer Selling Spree'

Latest published sales figures show Chevrolet outselling nearest competitor by well over 62,000 cars so far in 1960, Carroll Mincher of Gateway Chevrolet revealed today.

He attributed Chevy's big lead to the "outstanding styling and performance of our '60 Chevrolets and Corvairs" and to the fact that "Chevrolet dealers — because of their greater volume — are able to offer the public more attractive buys."

Mincher said he and his fellow dealers in the West are launching an all-out "Summer Selling Spree" campaign designed to widen the margin of Chevrolet's leadership.

"This is the time of year when many people are planning vacation trips," he pointed out. "We'd naturally like to see them make their trip in a safe, comfortable new 1960 Chevrolet or Corvair. And we're going all out to make it possible, with some of the finest buys we've ever offered."

Mincher said that excellent buys on Chevrolet Trucks and OK Used Cars also will be available during his "Summer Selling Spree."

The selling campaign is sponsored by the Oakland Zone Chevrolet Dealers Association, which includes Chevy dealers in 47 Northern California and 12 Western Nevada counties.

Boy, 8, Has 'Can Raising' Experience

It could only happen to a young boy.

Carlo I. Malaspina, 8 years old, 255 Los Olivos avenue, was playing near a garbage can last Wednesday at 12:30 p.m. when he decided to climb in. Getting into the can wasn't hard, but he couldn't get out.

Battalion Fire Chief Frank Specht, Captain Richard E. May and firemen John Roy and Richard Verducci responded to the scene. Malaspina was, according to Specht, "Wedged in the can tighter than a sardine." The sides of the container were cut and peeled back to let the boy out.

Three San Francisco public museums and many semi-private galleries contain exhibits of arts and crafts, both permanent and temporary, of interest to visitors.

The teenage world is becoming more and more sophisticated as the years go on. Boys have become more clothes and appearance conscious. They are more appreciative of the better kinds of music, movies, and literature.

I believe that the teenager lives in a very sophisticated world, and we should be proud of the attitude and appearance of young people today. Parents should progress along with their teenagers. As far as lipstick, if it is used in moderation and in good taste, it is an essential part of the appearance of any young girl.

Dear Mr. Bavaresco:

A group of us boys were discussing voting. We are of the opinion that if we are old enough to fight for this country at 18, we are old enough to vote. What is your opinion?

A Future Voter

Dear Future Voter:

You came to the right guy. In today's generation we find that the maturity of an 18-year-old is equivalent to a 21-year-old ten years ago. People do not realize how much advanced our younger generation is today. I agree with you. If you are old enough to fight for your country, you are old enough to vote into office who should run it.

There are men today who are voting and don't know who or what they are voting for. Some women today vote for a candidate because he is good-looking. This type of thinking shows the low mentality of some voters. I am quoting a voter when I say, "I'm voting for him because he's cute."

Yet, on the other hand, I have heard 18-year-olds sit down and have an intellectual conversation about politics. I'm not saying that all people who vote don't know what they are doing. What I am saying is that there are many 18-year-olds who are more qualified to vote than their elders.

Because high school courses consist of such subjects as civics, social studies, current events, etc., the 18-year-old person knows more about what is going on in the country than people give them credit for.

I am a firm believer that, in this state, we should change the voting age to 18 Because of the required subjects, the laws and the national constitution are still fresh in the young minds. If at the age of 18, people could vote with this fresh knowledge, the interest in voting would be increased.

With young people voting we would have a fresher outlook and these young people would be more interested in politics later in life. Let me close by saying that the youth

Reminder On 'Turnout' Law

The California Highway Patrol reminds vacationists who plan trips into the mountains of California this summer that the "turnout" law will be enforced wherever appropriate signs have been posted.

The turnout law requires slow-moving traffic to move aside and allow impeded traffic to pass. Turnout areas have been built on two-lane highways throughout the state where traffic and road conditions warrant. Signs reading "Turnout ¼ mile" give advance notice while others reading "Turnout" mark the location.

"Under the law, a motorist who is being followed by five or more cars must turn off at these marked locations and permit the cars behind to pass," Bradford M. Crittenden, Commissioner of the California Highway Patrol, declared.

Crittenden said the law defines a slow-moving vehicle as "one which is proceeding at a rate of speed less than the normal flow of traffic at the particular time and place."

"Purpose of this law is to eliminate the hazards caused by a slow-moving vehicle blocking other cars. It should reduce the number of head-on collisions that occur on two-lane roads because a motorist got impatient at being delayed and gambled he could safely get around the slower vehicle."

OLD ABE MINE

Old Abe Mine, located in the now deserted town of White Oaks, New Mexico, is reported by the National Automobile Club to have been discovered in the 1880s by escaped outlaw John Wilson.

Tiring of his brushes with the law, Wilson decided he had had enough of gold and gave his claim to two friends for nothing. Shortly thereafter the two friends sold the mine for $300,000.

Answers On GI Benefits For Veterans

Q—I will be going to school this fall under the Korean GI Bill. If I have to take any days off from my classroom studies, will my GI school allowance be reduced?

A—As long as your days off do not exceed the number permitted by your school and the State Approving Agency no deduction will be made. Your allowance check will be for the full amount.

* * * *

Q—I am a World War Two veteran and have never used my right to get a GI home loan. Now the deadline is coming up on July 25. Exactly what does that mean? Must a veteran's GI loan arrangements be all completed by then?

A—No. Applications for GI loans for WWII veterans must be received from lenders by the Veterans Administration on or before July 25, 1960. These loans must be completed and guaranty issued on them by the VA by July 25, 1961. However, a veteran who enlisted or reenlisted in the Regular Military or Naval establishment during the period October 6, 1945 through October 5, 1946, has until 13 years from the date that enlistment ends to obtain a GI loan.

* * * *

Q—A friend is writing this for me as I am quite helpless. I am not a veteran, but the husband of a woman-veteran who has just died. Please tell me about the law that says a helpless widower of a woman-veteran may receive benefits based on the death of his wife.

A—The unremarried widower of a woman-veteran may receive VA death benefits if he is incapable of self-maintenance and, at the time of his wife's death, was permanently incapable of self-support because of physical or mental disability. Your nearest VA office will be glad to give you all details.

* * * *

Q—Do creditors have any right to seize proceeds of a GI insurance policy to get money owed them? I am the beneficiary of my veteran-husband's GI insurance policy. He owed a few bills at his death, which I fully intend to pay.

A—Proceeds of a GI insurance policy are exempted by law from any claims of private creditors. The proceeds may not be seized or attached to pay your husband's debts.

RECORD NUMBER OF COWBOYS FOR REDWOOD RODEO

The largest group of cowboys ever to compete at the Redwood City rodeo is expected July 2, 3 and 4 because the Reno rodeo which annually attracted a number of top rodeo stars has been moved up from its previous July 4 date, co-chairmen Paul B. Jensen and Harold Zwierlein of the sponsoring Peninsula Celebration Association rodeo committee announced today.

Last year's record entry of 159 cowboys may be topped by more than 50 since Redwood City will be the only major rodeo in California over the Fourth of July holiday, they said.

One of the top features of this year's Redwood City Rodeo will be a wild bull scramble in which a prize is placed on one of the Brahma bull's horns (often a wrist watch) and then a number of other bulls are released into the arena along with the prize-bearing animal. The cowboys then scramble among the bulls to snatch the coveted prize.

Three animals featured on a recent "You Asked For It" television show will be among the horses and bulls of Ray Kohrs of Tres Pinos, California, who will supply all the rodeo stock for the July 2-4 show. They include a Brahma bull named "Iodine," a bucking horse called "No Hope" and a saddle bronc, "Miss K.B."

Pacifica Boy, 14 Apprehended By Daly City Police

A 14-year-old eighth grader at Pacifica's Linda Mar School was arrested on burglary and auto theft charges Monday at 2:30 a.m.

John Fox, 574 Crocker avenue, while checking his auto which had been moved further down the street, found a wallet bearing the name of the Pacifica 14-year-old. Later, Officer Al Nicolini observed a vehicle coasting down Crocker avenue without benefit of lights. Nicolini followed the auto to Crocker avenue and Mission street.

When the boy got out, Nicolini asked him his name. After receiving the reply, he told him he was under arrest. Nicolini said the boy "reluctantly admitted his part in the theft of five Daly City vehicles, including Fox's, and other car burglaries in Pacifica.

The boy said he had taken $4.73 from glove compartments and $100 in merchandise from the autos. The teen-ager's admission of the thefts sounded as if he were more sorry for being caught than the acts. In part he stated that the "first mistake" of not jumping from the car while it was rolling led to the "cop's catching me."

The Lowland, or Grand, fir is confined to the California coastal region of Northern Sonoma, Humboldt and Del Norte counties.

Mrs. Donald Allen . . . Crusade Chairman

WESTLAKE'S MRS. DONALD ALLEN NO. COUNTY CRUSADE CHAIRMAN

Mrs. Donald Allen, chairman of the Residential Division for the 1960 campaign of the United Crusade of San Mateo County, announces that Mrs. Thomas J. West, of Daly City, will serve as chairman of the north county area during the forthcoming campaign.

The north county area includes Daly City-Colma, Pacifica, San Bruno, South San Francisco, Brisbane and Bayshore.

Mrs. West is a life member of the YWCA of North San Mateo County, a United Crusade agency. Last year she served as president of the Vista Mar Parent-Teachers Association and is an honorary life member of that organization. She is chairman of Child and Public Health committee for the Seventeenth District PTA during the current year.

The north county chairman has been a troop committee member for the Brownies for Two years. Both she and her husband have been active in Cub Scout work.

Commenting on the values of United giving, Mrs. West says, "I believe the most effective means by which we may all combat the Communist threat to our way of life is by strengthening our democracy and by cultivating the spiritual heritage and moral principles on which our country was founded . . . . the United Crusade is a natural and modern development of this philosophy."

Mrs. West and her husband have a 9-year-old daughter and 10-year-old son. They live at 1496 South Mayfair avenue, and have been residents of San Mateo County for five years.

BROTHERS JET TO VACATION IN HONOLULU

Two Daly City youngsters will continue their air travels this week when they jet to Honolulu.

Heading for a two-months vacation in Hawaii are Eric and Richard Skinner, sons of Stanley and Margaret Skinner, 1321 Southgate avenue in Westlake.

Eric, 14, an Aptos Jr. High graduate, will enter his freshman term at Westmoor High this fall. Richard, 11, is a student at Benjamin Franklin School here. They will stay with their uncle, Malcolm Jackson, in Honolulu.

Mr. Skinner, a van lines agent, said the boys had traveled before by themselves and "they love the air trips."

LICENSED DRIVERS

There were more than 81 million licensed drivers in the United States in 1959, reports the National Automobile Club.

Local Sea Scouts Offer Services For Celebration

Daly City Sea Scouts, sponsored by the WSIA, have formally offered their services to the committee planning for next year's 50th year celebration.

A letter was sent to City Manager Edward Frank earlier this month, offering the participation of the unit. Proud of the city, and of the general area that they represent, the letter asked the committee to "please include us in your planning."

The city is aware of the community activities in which the Sea Scout Ship, headed by Westlaker Bob Gunthorp, have participated in the past years. Traditional among them have been exercising control at the annual Halloween Festival at the Westlake Shopping Center, providing of color guards for the various local PTA's and the WSIA, and participation in such joint efforts as the clean-up along Alemany boulevard and the dedication of the new Lake Merced Boat House, during which the membership was met and welcomed by San Francisco's Mayor George Christopher.

Knowing that the planned celebration would be at least week-long, the Sea Scouts have offered to "turn out" a minimum of 10 members on any one weekday night, and from 15 to 30 on weekends. In addition, through their close association with other Sea Scout Ships of the San Francisco Council, they are able to provide even more young lads with the help of their neighboring San Francisco Ships, if and when the occasion calls for it.

The unit was initially organized by Jay F. Irick almost five years ago and is the only Sea Scout Ship in the Lake Merced District of San Francisco Council. It is the only Sea Scout unit dedicated exclusively to small boat sailing, almost all the others having either large sailboats, pulling boats, or power craft.

Local Sea Scouts, limited in size because of the number of sailboats available to its membership, may expand if the plans to hold another Christmas Tree sale are placed in effect. Meantime, young men of high school age are invited to apply for membership by contacting Frank De Martini Jr., at PL 6-1946 or Skipper Gunthorp at FL 5-2181.

Social Security Office Requests Change-of-Address Notification

Persons receiving social security benefits can save themselves a great deal of inconvenience if they report promptly when they change their address, according to Mrs. Mercia Leton Kahn, Manager of the San Francisco (Mission) Social Security Office.

Our country is on the move; the latest figures show that one out of every five families will relocate at some time each year. Many of these are folks who are getting social security benefits.

If you are getting benefits, you can assure prompt delivery of your monthly checks by reporting a change of address as soon as you move. Preaddressed postcard forms are furnished to each social security applicant. This card may be completed to make the change. If you have misplaced the card, a signed note or a postcard to the nearest social security office, showing your name, social security number and your new address will do. You may, of course, call at any social security office and fill out a change of address form if it is more convenient. Telephone calls will not do for changing an address.

The Social Security Administration is only interested in addresses of those who are getting benefits—so if you are not getting monthly checks, do not send a notice of change of address.

On all correspondence to the Social Security Administration, your social security number should be shown.

Residents of Daly City and Colma are served by the office at 761 South Van avenue, San Francisco.

Lucca Market Recovers Liquor But Trio Escapes

Lucca Market owner Thomas Stanghellini recovered a case of stolen whiskey but couldn't quite catch up with the thieves Sunday afternoon.

Stanghellini, 128 West Moltke street, told Officer John Van Otten that a man stood outside his store at 7370 Mission street while a woman entered. He saw the man, carrying a case of whiskey, running South on Mission street. Stanghellini checked with clerks at the store and found the whiskey had not been sold.

He saw the man pull his auto away from the curb, with two passengers inside, and gave pursuit. Another man, Jessie Felton, 20, 1727 Felton street, San Francisco, saw the development of the case and also gave chase in his auto.

The suspects had to slow down for heavy traffic on Alemany boulevard and stopped the auto, placing the case of whiskey on the sidewalk. Then they sped away. Stanghellini picked up the carton box and brought it back to the store.

Meanwhile, Officer John Van Otten had spoken to Mrs. Virginia Stanghellini, the owner's wife, and she gave him the license number of the suspects auto. Police notified the Department of Motor Vehicles and found that the registration card had a false street address on it.

SPORTS SPIN

By LOU LUCIA

BOWLING LESSONS ANYONE?: Mrs. Thelma Beecher, wife of Police Captain Roy, has had more bad luck than a pin boy who wore slippery shoes. Thelma, who works at (Quick Drugs) McGraw's Pharmacy, took her first try with a bowling ball a number of years back. She used perfect form getting on the hardwood, pulled her arm back and watched the ball roll behind her, as it slipped from her hand, towards people who were sitting down. Embarrassed, she gave up the sport for a number of years until she found her husband and 12-year-old daughter going in for the kegling game. Thus, she took lessons again. Thelma pulled a ligament in her arm while practicing and had a "casted" arm for awhile. Some people just don't have any luck, but in a way Roy is probably glad—he's the "head" pin in his household bowling group.

INDIANS DON'T WEAR GREEN AND WHITE WAR PAINT: Jeff High basketball Coach Mike Orlich has been good naturedly giving us a ribbing about Westmoor High coverage for nigh on to a year now. (We have always tried to be as fair as possible, running equal coverage of both schools.) Mike may ask us to write more about the Rams' teams next annum. Reason—and this will frost your ice cream cone—his son Jimmy Orlich, along with Mike, lives on the West side of Junipero Serra boulevard and will attend Westmoor next fall. Incidentally, Jimmy is a good basketball player and may one day beat "dear old dad's" Indian five.

HE GRADUATES IN ORDER TO START LEARNING: Bob Sexton, in charge of the summer junior bowing leagues at Westlake Bowl, was a Far Western Conference grid guard standout for Joe Verducci's SFS Gators last fall. He wants to be a student teacher under Polytechnic High head football Coach Milt Axt next semester as "Verducci and Axt are two of the top coaches in California." Sexton may apply for a Jefferson High School District coaching and teaching job after graduation.

IT'S THE "PRINCIPAL" OF THE THING: Harry Aronson, principal of Daly City's new Thomas Edison School was a backfield footballer for St. Mary's College in the late '30's. Harry played alongside "greats" Andy Marefos and Gil Dowd as the Gaels sheared Texas Tech in the 1939 Cotton Bowl contest, 20-13. Attaway 'arry.

FAME IS FLEETING DEPT: Only two short years ago he led the San Francisco 49ers in points for the season. Is your memory better than ours or did you look it up too? Gordy Soltau scored no TD's but kicked 29 extra points and 8 field goals for 53 points.

GOLFERS WIELD BIG CLUB: Daly City's golfers are moving to the fore. Best clubbers include policeman Art Linhares, who always places highly in tourneys with the best, and winner of the Daly City Chamber of Commerce Golf Tourney; Chief Roland Petrocchi, winner of the San Mateo County Officials' Tournament along with Jim Kennedy, former councilman here; and Westmoor's golfers which tied for the championship with Burlingame. That includes policemen, a councilman and Rams but no T-men. They're good Tee-men, though.

TENNIS INSTRUCTIONS TO START: Acting Director Chuck Vincent, department of parks and recreation, stated recently that Daly City's annual tennis instruction will begin soon. The instructor for the first tennis classes last year was Len Beatie. What a raquette that is.

"WANTED" are people to "Bowl to Help Build Better Boys." Police Athletic League Officers got together to ask residents to participate in the PAL Tourney at the Westlake Bowl between June 26 and August 7. Parent, Teen-age Dance To Be Held Next Saturday

The second annual Parent, Teen-age Dance sponsored by the HI-FI Teen Club will be held on Saturday, June 25.

Last year 66 parents enjoyed an evening of dancing. Music will be provided by Buddy Capp's orchestra. All parents are urged to attend and witness the Teen Club in action.

Admission price is 75 cents per parent and 50 cents per member. The doors will be open at 8 p.m.

Celebrities To Kick-off PAL Tourney Sunday

Co-chairmen Jane and John Doelger have announced that all is in readiness for the opening squad of the second annual Daly City Police Athletic League Benefit Bowling Tournament which will bowl at noon this Sunday, June 26.

With the prize list expected to surpass the $6000 value of last year's, it is anticipated that there will be over 8000 entries this year and a goal of $10,000 has been set as the proceeds for the PAL.

New features for this year's event will be a special squad prize to each group of 20 or more bowlers who register for a specific starting time. In this way, various business establishments, clubs and neighborhood groups have an opportunity to determine their own champion as well as to compete for the many prizes being offered.

Additional special prizes will be awarded to the man and woman with the highest score for six or twelve series. Since many bowlers entered ten or fifteen times last year these special prizes will be awarded in addition to the regular prize list.

A special squad of celebrities will be on hand at noon Sunday to kick-off the tournament which will conclude on August 7.

B'dmoor Youth Association Ends Fifth Sports Year

Broadmoor Youth Association has just completed five years of active service to the youth of the community. This year starts the BYA's sixth year as a sponsoring group, who through the past five years, has given hundreds of youngsters a chance to play organized sports.

The 1960 baseball season finds the BYA fielding seven baseball teams, made up of more than 500 boys, according to Jerry Plyer.

Broadmoor Youth Association's fund raising campaign, which has been going on for a month, ends July 1st. The members of the grroup have hopes that the campaign proves a success.

At their last meeting, the members laid plans for the future of the organization, which includes expansion of the club, so that they may serve more youth in the expanding community.

MONDAY, WEDNESDAY ADDED TO BOWLING JUNIOR PROGRAM HERE

By Bob Sexton

In size, San Francisco is a giant alongside its little brother Daly City. When it comes to bowling the two stand on equal levels, at least when it comes to the younger set, the Juniors. To emhasize this point, pint-sized Jim Fisher, 13-year-old kegler, set the lane on fire with a booming 242, a new high for the Junior Division at Westlake.

Even the Daly City 12 and under group waved high scores at "doubtful-henrys." Billy Kitchen, a 10-year-old, shot games of 171 and 146 to pile up the second highest series in the Bantam League with a 317. Just the week before he rolled a 191 game.

In this division, anything over 175 wins a high game shirt emblem for the bowler. Not far behind Billy was another local boy, Ed Kellet, Eddie shot an even 300 for two games, that's an average of 150 per game.

If there was a bowler of the month award it would have to go to Toni Pinelli who came through with a giant 195 game during the current Santa Rosa Junior Tournament. Toni is also a bantam, with an average of 83. Many of the 16-year-olds are wondering just how a 10-year-old girl can bowl a 195 game.

Outstanding performances were also turned in for the Senior Boys League. Jim McFadden was high in the league with a 224 game followed by Joe Marasco with 215, George Ellis 208, and Frank Blum and Ron Reed, both with 202.

This week raises the curtain on the summer league with Monday and Wednesday being added to the Junior Program. The Saturday leagues will continue to carry the bulk of the schedule. There is plenty of room for new and old bowlers alike.

As part of the program, movies will be shown from time to time during the summer. This should prove to be entertaining as well as educational to the bowlers. For the more skilled youngsters, invitational matches are being planned for all age levels with various other bay area bowls.

The popular instruction type league will be held Monday at 1:15 p.m. and Wednesday at 10:30 a.m. A score of boys and girls who are now bowling in regular competitive league are products of the first instruction league.

Hughes Texaco In First Place; OLM Cubs ½ Tilt Back

With only one week remaining to play in the American Division of the Department of Parks and Recreation's 1960 Midget.. Baseball ..League, Hughes Texaco leads the OLM Cubs by half a game.

The Texaco Club won their fifth game by defeating PAL Yankees, 19-4. A 20-hit attack was paced by Meehan's five for five.

The OLM Cubs stayed on Hughes heels by edging the Art Colvin BYA Midgets, 9-8. Feilly and Rickenbacher drove in three runs apiece to lead the Cubs. Rickenbacker also made a game-saving catch with the tying and winning runs on base to end the game.

Other league action found the OLM Cardinals knocking BYA Flying "A" out of first place with an 8-4 win.

PAL Red Sox whitewashed Holy Angels, 7-0.

Art Colvin's BYA Juniors moved into first place in the Department of Parks and Recreation's 1960 Junior Baseball League, when New Pisa Restaurant upset previously unbeaten Excelsior, 4-1.

The Realtors with a 16-0 win over the Daly City Merchants raised their record to 10 victories and one defeat. Pitcher Ron Johnson twirled a no-hitter and allowed only three walks. This ran his record to a classy eight wins and no losses.

Tied for second with 9 win, 1 loss records are Excelsior and New Pisa. Each has three games yet to play while BYA has only two.

drew from the squad. Callaway will spend the summed preparing to enter an Eastern college.

Duggan, 6-2, was named to the all-Catholic Athletic League football team in 1959.

The West team will meet at the San Francisco 49er training camp in Redwood City June 26 at 2 p.m. A barbeque, softball game and football clinic will be held during the afternoon.

The West team will start practice for the game August 8, at Jefferson High School in Daly City.

Coaches for the game are Bill Fieling of Lowell (San Francisco) and Bob Berry of Willow Glen (San Jose).

70-Year-Old Has 12 Straight X's At Westlake Bowl

Once again experience won out over youth when last Friday night in the weekly Sweepers, Bob Bresnahan, who was 70 years old last January, rolled twelve strikes in a row to register the first perfect game since the opening of Westlake Bowl 18 months ago.

Since the Sweepers is not a sanctioned league or tournament, Bob is not eligible for the 300 game awards of the ABC. However, he was presented with $100 cash by Jim Grealish, general manager of the Bowl. Also, he took first prize of $14 for winning the Sweepers plus the opportunity to bowl in the weekly Jackpot.

Bob has been bowling for 30 years, with a previous high game of 259. His average of 160 was gained while a member of the Rialto Post team in the Veteran's League.

A resident with his wife Beatrice, of 597 27th avenue in the Richmond District in San Francisco, Bob has been bowling at Westlake Bowl since shortly after its opening.

IN SAN CARLOS

Broadmoor Post 824, American Legion baseballers made up of Westmoor High Schoolers, had to fill in with inexperienced players at key positions but made good use of eight hits to beat San Carlos' Post, 5-1, last Sunday at Burgess Field.

Terry Christman pitched a tidy four-hitter with only two balls being hit to the outfield. Acting manager Bud Christman, Terry's father, made the right pitching selection as his son mowed the former Carlmont horsehiders down.

Three players were unable to find the park and it left manager Christman shy for fielders. Eighth graders Bruce Hix, Alan Contreras and Gary Mendosa stepped into the higher class ball in real style. Hix, catching, and Contreras, right field, banged two hits apiece, while Mendosa turned in fielding gems at first base.

Christman had most praise for shortstop Rich Morales, who he says, "keeps the team together." He also had good words for Terry who pitched easily past the tough Carlmonts.

Salmon Big Stride For State Scientists

Catching a dinky, three-inch fish after trying for an hour might be enough to make the average sportsman turn to tiddlywinks.

But California Department of Fish and Game scientists were jubilant this week when they caught such a fish.

It was a marked king salmon in a group of 24 caught during a one-hour test of experimental gear near the Golden Gate.

The catch marked the first time any small salmon had been trapped in brackish water in California on the downstream leg of its ocean-bound migration. The brackish water phase of the salmon's life has been a mystery period.

The scientists used a net designed for midwater depths at a level just below the surface of the water. Heretofore, it had not been used successfully for this purpose.

The capture of the marked salmon is a big stride forward in the Department's efforts to determine what happens to the salmon between the moment they are hatched and the time they enter the ocean.

Fred Plowman, Bonnie Blake Set Bowl Pace

High series honors at Westlake Bowl last week were captured by Fred Plowman Sr. with a 234-182-212-628 for Colbert Pet Shop in the 825 Scratch league, and Bonnie Blake whose 580 series with a 235 game for Denhard's Market in the 600 Scratch was outstanding for the women.

More than 88 Westlake bowlers journey to Park Bowl Saturday to enter the S.F. Boy's Club charity tournament as a squad.
